INTERNATIONAL SILVER TROPHY HAS FORTY YEAR HISTORY

When competition takes place on September 30th in Georgetown for the International Silver 30-mile relay trophy, the competing clubs will be entering a contest flavored with a history of over forty years. The handsome cup was donated originally for a Toronto-Hamilton road race from city hall to city hall, run over the Lakeshore Highway, at that time a dirt road. Central Y. are the first known winners in 1906, and West End Y. held the trophy in 1908; Hamilton Y., 1926; Monarch Athletic Club

1928; Hamilton Olympics, 1930-32. Present trophy holder is the Gladstone A.C., many of whose members are Georgetown men.

The 30-mile relay is one of many big features at the big track and field meet here under the joint sponsorship of the Recreational Council and the Gladstone A.C. Public and High School county championships, open track and field events and a tug-of-war are included in the day's program. The local Legion branch is donating a purchase voucher valued at \$7.50 for use in any Georgetown Store to the veteran in the relay race who makes the best time.
