Norval Arrows Eliminated by Fergus in Lacrosse Play-off

Norval Arrows gave their all at Norval last Thursday, but it wasn't quite good enough against the heavier, close-checking Fergus lacrosse juniors who took the game 16-12 to win the championship of the Western group. The series ended 3-1 in favour of Fergus, who now go on to play St. Catharines in the finals. Thursday's game was a fitting climax to what had been a grand season of lacrosse. It was a particularly heart-breaking game to lose, for Norval held the edge until early in the second period when Fergus rapped in two goals to tie the score and two more to put them on top. They held this lead for the rest of the game, stretching it to four when their scoring ace, Gear, whipped in two goals in the dying seconds of the game.

The Norval lads, including of course the five Glen Williams boys who are an integral part of the team, have given lacrosse fans something to see all this season, and it is the more remarkable when we realize that a little country village has beaten out bigger centres like Dundas and Port Dover, and given a team from the stronghold of lacrosse in this part of the country a good run for their money. In every game there must be a winner and this was just a case of one good team being beaten by another good team. We wish Fergus every success in the play-offs.

Brampton Ousts Norval Midgets in Finals

Norval suffered a double loss last Thursday in lacrosse. Not only were the Junior Arrows defeated by Fergus, but in the preliminary, Brampton walloped the midgets 9-3 to put them out of the running. The midgets were short on substitutes and lack of practice games during the season hampered them against a more experienced team. Brampton advances to meet Mimico in the play-downs. The Norval line-up was composed of Ron Fendley, Hugh Cunningham, Lorne Whaley, Doug Allen, Carl Laidlaw, Bill Mulr, Don Schenk, Norm News, Bob Leslie and Ross Oldham.
