Thanks Again!

The Directors of the Esquering Agricultural Society wish to thank their patrons and all those who helped in any way to make the 101st Fall Fair at Georgetown another record affair. Special thanks also goes to the exhibitors, who despite the number of fairs that day, came here to show and help put over this successful event. We look forward to welcoming them back in 1948 along with many more of our friends who were unable to be present this year.

Telephone People Are Hard to Please

No matter how good the service is, telephone people are always keen to make it better... to beat their own record. Our present programme—largest in our history—calls for more and more lines, switchboards and buildings. But more than equipment is required—something money can't buy. That is the pride every person in the company takes in continuing to give the best telephone service at the lowest cost.
