WITH WAYNE-SHUSTER
 Dick Nelson, radio mimic whose wide range of impersonations are a feature of "The Wayne and Shuster Show," weekly variety broadcast heard Thursdays at 9.30 p.m. EST, over the CBC Trans-Canada network. Nelson, a Canadian by birth, went to the United States in the '30s to satisfy an ambition for the stage. He returned to Canada last winter after nearly 15 years in radio, stage and film work.

**Hospitalization Conference
 Honey Harbor**

Group Hospitalization Service has made rapid growth in the Province of Ontario during the last year. A non-profit service planned, organized and operated by the people themselves, one year ago there were only four urban and three county groups operating such a service. Today there are twenty one, seventeen of which are County wide groups rendering this service to over nine thousand members, together with their dependants and giving this Hospitalization coverage to over thirty thousand Ontario people.

During the late summer of last year the groups then operating met together to talk over their problems and possibilities, at which time a Provisional Committee was appointed to render assistance and information to other groups wishing to organize. The rapid development this spring and early summer warranted the calling of another meeting of all the county and urban groups now in operation. It was therefore arranged to hold a Provincial Conference at Honey Harbor on September 19 and 20th in the Delaware Inn. Each county and urban group were asked to send two voting delegates to this conference and when it convened it was found nineteen of the twenty-one groups were represented.

Mr. M. J. Brown, vice president and R. S. Heatherington, secretary, Halton Co-operative Medical Services, represented, Halton County at the Conference.

It was unanimously agreed that a Federation of all such groups was necessary in order to keep this valued service on sound ground. A proposed Constitution was drafted and presented to the delegates and after several hours of discussion a final draft was unanimously approved and the new Provincial organization set up to be known as Co-operative Medical Services Federation. A board of nine directors was elected who were charged with the responsibility of guiding the present and future developments in the Province of Ontario along safe and sound channels. Those elected were — President, Wm. McCarthy, Dufferin; vice pres., Howard Patterson, Wentworth; Ed Lang, Grey; R. S. Heatherington, Halton; Lawrence Lulland, Brockville; E. McKenny, Peterborough; Earl Reid, Leeds; Ed O'Dell, Lambton, Leonard Mitchell, Toronto. Mr. Paul Meehan, secretary, Mgr. Cumba Co-operative Health Services, Toronto was appointed Secretary and Treasurer.

**MRS. SKUCE SPEAKS ON
 "HOW TO GROW OLD"**

"Give freely of ourselves and avoid self-pity and we will not get old" was the theme of an address by Mrs. L. L. Skuce of Milton, wife of the Inspector of Halton Public Schools, speaking to the Local Council of Women, "How to Grow Old and Gracefully and Painlessly" was the title chosen by Mrs. Skuce, who was guest speaker at the first fall meeting of the group last Friday afternoon. Miss H. A. Staunton, Maple Avenue, was hostess to the thirty ladies, who attended.

Mrs. R. T. Paul presided, and after silent prayer, she welcomed the ladies of Weston Local Council. A tag day for the Salvation Army on October 4th was discussed, and a committee composed of Mrs. Paul, Miss Staunton and Mrs. A. R. Vannatter appointed to arrange details. In the absence of the corresponding secretary, Mrs. Vannatter read a detailed report of the convention of eighteen provinces.

Mrs. Liddenhead gave a report of her visit to the National Convention at Regina. Mrs. J. B. Mackenzie moved a vote of thanks to Mrs. Skuce. Mrs. O. R. Plindall will be guest speaker at the next meeting on October 17th.
