Model Demonstrators of
Garage Door Hardware
now on display at
Thompson's Hardware Store
Georgetown - Ontario

Overhead garage door hardware that does not take up the whole garage

Tavart Garage Door Hardware is fast superseding old-style hardware and solving the problem of space. For single or one piece double door installation it is quick, easy to install, assures trouble-free operation and is quite reasonable in price.

Quality all-steel construction, it is the only Jamb Type Hardware with a positive adjustment that is simplicity itself. There is nothing to get out of order. There are no tracks to hang and align. All the valuable wall space so urgently needed is saved when you use Tavart Garage Door Hardware.

This hardware has many other uses, shipping doors, hen house, milk house, etc.
