### Mutual Leader Honoured

J. T. ARMSTRONG

The Mutual Life of Canada has released its Honours List, recognizing Mr. J. T. Armstrong of Georgetown for outstanding service to his community in the Club Year recently closed. He has qualified as a member of the Leader's Century Club.

Qualification for Club membership requires not only the writing of a large volume of new business, but, more important, the writing from year to year of "quality" business, that is, life insurance that is continued in force. These two factors, combined with a high personal standard of confidential service to policyholders, earn for Mutual Life Representatives membership in the production clubs.
