## LIMEHOUSE

Mrs. Audrey Sharpe of Georgetown was a guest speaker at the October meeting of the Women's Institute held at the home of Mrs. A. Benton on Thursday. She told a most interesting story of her experiences at the Grenfell Mission, Harrington Harbour, Canadian Labrador, illustrating it with snapshots and samples of the work done by the people there.

Mrs. Batkin, girls' coach for project work gave a short report of the training school recently held at Milton. She said that she is looking forward to working with the girls. Mrs. E. Miller, district director reported on the recent meeting in Milton. This led to a discussion on the T. B. clinics. The interest in them seemed general.

The meeting opened by "Home on the Range" and the Lord's Prayer and the roll call was answered by "A way to entertain a ten-age boy". Seventeen attended the meeting. It was decided not to apply for the legislative grant, and correspondence was read from the Children's Aid Society who were voted a cash donation of \$10. One member had received a lengthy letter from a three times bombed-out, fatherless family in Kent, thanking her for a garment given them by the Salvation Army. It was decided to make up a Christmas parcel for the family, each member to hand in something suitable for sending by next meeting.

Madames Kirkpatrick, Smethurst, Elerby and Gaby were re-elected as Women's Institute members on the Memorial Hall Board. Mrs. Elerby explained the rules of the marathon euchre being held this fall. Nell Benton played a piano solo and the hostess served lunch at the close.

S. S. No. 9 won sixty-one prizes at fall fairs so far this season—thirty-two at Georgetown which money is doubled by the trustees of the section, twelve at Milton and twenty-seven at Acton last Saturday. Entries are being made at one or two others.

Miss Reta Bryuna of Weston spent the week-end with the Mulders. Mr. and Mrs. Cummings and daughter of Point Pleasant, N.Y., were
