MILESTONE IN CANADIAN HISTORY

TWO - HUNDRED - YEAR - OLD FORT NOW LOVELY HOME.

You wouldn't think to look at this beautiful old French-colonial home, surrounded by well-kept gardens and finished with a neat roof of bright red asphalt shingles, that it once played an important part in shaping Canadian history. Known locally as "Petit Fort" by residents of St. George's, on the Island of Montreal, this home was built as an outpost for a garrison stationed in Montreal. It overlooks the "Back River" and its purpose was to intercept any invaders attempting to reach Montreal by that route.

The only renovations found necessary were to repoint the masonry with cement mortar and to resurface the roof with asphalt shingles. Although the house is nearly 200 years old, with its new roof it seems capable of withstanding another 200 years.

November 7th has been set as a tentative date for the opening of the completed part of the Legion Hall. It is expected by that time part of the upstairs will be ready for use. A program is being prepared, and further details will appear later.

The writer of this column received a letter recently from past president, Jimmy Murphy, who is visiting his family in England. Jim had an excellent crossing, and is enjoying his visit. He reports that while no one is starving over there by any means, yet the food situation is very tight. He asks to be remembered to all the members of Branch 120, and hopes to see another Georgetown man in England, Flight-Lieut. Gordon McDonald, in the near future.

Mrs. Fred McCartney, T. Grieve and Mrs. Grieve attended the convention in Windsor recently. Com. McCartney is Zone Commander and has appointed Com. Grieve as secretary.

Work on the remodelling of the building upstairs is coming along nicely, and will be in use in the not-too distant future. At present, the heating system is being installed and it is hoped to have the new heating system in use in a few weeks.

Memorial Vestry Steps Dedicated at St. George's

On Sunday afternoon at St. George's Church of England, a beautiful flight of vestry steps built by Harry Logan and Roland Haines and presented by them to the Church in memory of those who lost their lives in World War II, was dedicated in an impressive ceremony. Rev. L. C. Secrett of Willowdale, assisted by the rector, Archdeacon W. G. O. Thompson, was in charge of the dedication. Assisting in the ceremony were Fred McNally and Thomas Eason, and the choir which was grouped on the vestry steps. The Lorne Scots Band and members of Branch 120, Canadian Legion, marched to the church in a body.

The order of service included the hymns "Abide With Me," "O Valiant Hearts" and "O God Our Help" and the 23rd Psalm.

The steps are in memory of Hubert Frank Tost, Frank Victor Miller and William Henry Balch, whose names appear on a bronze tablet.
