Hello Homemakers! Christmas may spell C a n d y for the first time in years. Because sugar is no longer rationed, we will want to try our hand again with confections made at home. The children are elated too, and want to help but they need a few instructions. So here is what to tell them.

Use a two-quart or three-quart deep pan. Any kind of pan can be used, but the candy will not stick as readily in a heavy metal pan.

Since candy thermometers may not be available, the way to recognize the different stages is the cold water test. Place a few drops of syrup into very cold water. When the syrup is cooled by the water, it thickens and can be formed into a soft, or firm, or hard ball.

Use a small amount of corn syrup to prevent grainy candy. Or substitute for corn syrup, one-eighth tsp. cream of tartar, or 1/2 tsp. lemon juice to 2 cups sugar.

Do not stir candy while boiling unless it contains brown sugar or molasses — even then scrape back and forth across the pan and down the sides.

Let candy mixture cool before beating. (Do not cool candy in cold water.)

In substituting cocoa for chocolate, use 3 tablespoons cocoa and two-thirds tablespoons butter instead of 1 square of chocolate.

PEANUT BRITTLE

- 2 cups sugar, 3 cups peanuts.
1. Shell peanuts; remove skins with damp cloth.
2. Melt sugar in frying pan; stir constantly and do not allow to darken.
3. When melted, pour over nuts on platter (not greased).
4. Cool gradually; mark in squares while cooling.

MAPLE CREAM

- 3 cups light brown sugar, 1 tbsp. corn syrup, two-thirds cup milk, 2 tbsps. butter, 1/2 cup nuts (chopped) 1/2 tsp. vanilla.
1. Put sugar, syrup, milk and butter into a saucepan; heat gently, stirring until sugar is dissolved.

2. Boil without stirring to soft ball stage.
3. Remove from heat; cool gradually.
4. Beat until creamy. Add nuts and vanilla; pour into buttered pan. Mark into squares before it hardens.

TURKISH DELIGHT

- 2 envelopes gelatine, 1/2 cup cold water, 4 cups sugar, 1 lemon grated, rind and juice, 1 orange grated, rind and juice.
1. Soak gelatine in cold water.
2. Put sugar and boiling water in pan and stir until dissolved.
3. Boil 20 minutes. Pour syrup on gelatine.
4. Add rinds and juice.
5. Rinse clean cake tin in cold water.
6. Pour mixture in pan and let stand overnight. Cut in squares and roll in icing sugar.

CHOCOLATE FUDGE

- 1 cup white sugar, 1 cup brown sugar, 1/2 cup corn syrup, 1/2 cup sweet milk, 1/4 cup melted butter, 1/4 cup cocoa.
- Boil ingredients for 10 minutes, then begin to test for soft-ball stage. Add 1 tsp. vanilla. Beat until creamy. Pour in buttered pan. Mark.

THE SUGGESTION BOX

Mrs. G. M. says: When you make an old-fashioned boiled suet pudding, it is wise to use a heavy cotton cloth and always scald it, wring out and dredge with flour before the batter is put into it.

Mrs. T. E. says: Let steamed pudding cool thoroughly, uncovered, before storing in a cool place. For serving, cover, re-steam about 1 hour.

Mrs. S. W. suggests: Grape juice sauce—Blend 1 1/2 tbsps. cornstarch with 2 tbsps. cold water, and stir into 1 1/2 cups hot grape juice. Add one-third cup sugar and 1 tsp. lemon juice. Cook about 10 minutes.

Mrs. F. J. says: When you cut vegetables in even-sized pieces the food tastes better; cut in small sections the food cooks more quickly and this method saves electricity.

New Maher Store is Sixty-First in Ontario Chain

Opening of the Maher Shoe Store on Main St. last week marked the sixty-first store in this well-known Ontario chain which has been established since 1911. The company has purchased the business established here this fall by Jack Doran, who leased premises in the Diggins Building formerly tenanted by the Georgetown Taxi. It is the part of the building where Mr. J. N. O'Neill, who built the building for his garage and carriage works, formerly had his office until the sale of the building to Mr. Diggins.

President and general manager of Maher (pronounced Ma-har) Shoe Stores is James P. Maher. Of Irish parentage, he was raised in Picton and entered the shoe business at an early age as a junior. The Maher organization with head office in Toronto is both manufacturer and distributor of many well-known brands. Stores are located in this district in Brampton, Milton, Guelph and Orangeville.

Mr. Jack Doran who has been associated with the Maher organiza-

tion for several years, will continue here as manager of the Georgetown store. District manager is Mr. J. R. Clark who was in town last week supervising renovations.

The Maher Shoe Stores are sponsors of the "Double or Nothing" radio program broadcast each Monday over radio station CFRB, Toronto. As a feature of their opening here, \$100.00 in cash prizes is being given in a lucky draw for which entries may be made at the store.

DONALD McMURCHY IS BRAMPTON HIGH SCHOOL VALEDICTORIAN

A former Georgetown boy, Donald McMurchy, fifth form student at Brampton High School, was honoured at the commencement exercises at Brampton High School last Friday when he was chosen to give the valedictory address. He was also presented with the Mary Trimble trophy, awarded to the fourth form boy standing first in his class. Donald, who is the son of Mr. and Mrs. A. C. McMurchy of Huttonville, attended public school here before the family moved to Huttonville, where he completed his public school education.

OSCAR TO C.N.R.—M. A. Metcalf, G.B.E., vice-president and executive assistant, Canadian National Railways, is shown, above, left, as he received the bronze "Oscar of Industry" awarded to the C.N.R. by the Financial World, New York, for its annual report of 1946. The report was judged to be the best in the Canadian transportation industry by a board of independent judges who surveyed 3500 annual reports of North American business firms and establishments. The presentation, above, took place during a banquet held at New York, recently, and was made by Weston Smith, right, vice-president of Financial World.
