### HAS SERVED WIDELY

The new secretary-manager of the Ontario Concentrated Milk Producers Association, Chas. T. Milton, has been active in farm organizations and the public service. Born in Oxford County, he has farmed there all his life. Mr. and Mrs. Milton have two sons and a daughter, the two sons operating farms in partnership with their father, and the daughter married to a farmer, all living in Oxford County.

Mr. Milton spent ten years in Municipal life and was warden of Oxford County in 1938. He is a past president of Oxford County Children's Aid Society, past president of Oxford County Ratepayers Children's Aid Society, past president of Oxford County Seed Fair and president of Oxford County Federation of Agriculture and Oxford County Hog Producers Association. He is a member of the I.O.F. and the A.F. and A.M.

At the time of his appointment as secretary-manager of the Ontario Concentrated Milk Producers Association, he had served as a member of the executive for five years. He also resigned at that time as vice-president and treasurer of the Ontario Hog Producers Association.

### LIMEHOUSE

The annual Christmas entertainment of S. S. No. 9, held in Limehouse Memorial Hall on Friday evening was an outstanding event. An operetta in three acts "Goldilocks and the Three Bears" had taken a great deal of preparation and Miss Jean Ruddell and her pupils deserve credit for a splendid performance as well as in the rest of the program. When five boys were dressed as five spinsters bent on catching a boy friend in one dialogue the capacity audience howled with merriment. Chairman A. W. Benton helped Santa Claus (Mr. Wm. Mitchell) distribute the gifts, and oranges and sweets to the little folk and two of the youngest pupils (Dorothy Kirkpatrick and Barbara Currie) presented Miss Ruddell with a boudoir lamp and nylons on behalf of her school children.

The young folk and the not so young enjoyed dancing to May's Orchestra until a late hour. Mr. Ouke Mulder is recuperating this week following tonsil removal in Peel Memorial Hospital on Saturday morning.

Mr. Arthur Lane of Montreal visited his mother here last week-end. The Griegs of Brantford and Mr. and Mrs. W. I. Newton visited Miss Ivens, Mrs. Newton and the Gales during the week-end.

The annual meeting of the WMS was held at the home of Mrs. A. W. Norton on Wednesday evening when Mrs. E. Sanford was renamed president. Other officers for the year 1948 were named as follows:

Vice president — Mrs. J. Roughley  
Secretary — Mrs. A. W. Benton  
Treasurer — Mrs. H. Norton  
Literature Secretary — Mrs. S. Gishy  
Home Helpers Secretary — Mrs. Mitchell  
Glad Tidings Secretary — Mrs. A. Norton  
Supply Secretary — Mrs. Mitchell

It was decided to hold a social after the new year to raise funds for a donation for the work of Scott Mission. The secretary was advised to send cards of sympathy to several bereaved friends of the society. The Scripture lesson was read by Mrs. A. Norton, and Mrs. H. Norton led in prayer. Mrs. H. Norton read an article from the Presbyterian Record which told of a Christmas visit to Bethlehem. Mrs. Roughley added to the program with her piano solo "Trinity Chimes". Roll Call was answered by "Vow."

The January meeting will be held at the home of Mrs. Mitchell when the roll call will be "an item of missionary news."

The hostess served refreshments at the close of the meeting.

Mr. and Mrs. E. Karn and Eleanor have moved into Mr. Wm. Gowdy's house.

Mr. and Mrs. Ronald Latimer and Gloria and Mrs. A. W. Norton spent Saturday in Hamilton.

Mr. and Mrs. Skelly and family of Hamilton visited the Gales recently.

### HIGH SCHOOL NEWS

Vic and Jo

Well the school has been back to the same dull routine for the last week or so and nothing exciting has happened. Everybody has been resting up so they can enjoy the sixteen day holiday which starts this week-end. We're sure all the students will study like mad fiends during the holidays especially fourth and fifth forms who have exams coming up in February (we can dream, can't we).

This Friday will be the last day of school for this year so the students are going to celebrate by throwing a Christmas party. There will be a Christmas tree, humorous presents, apples and oranges and of course Santa Claus and his two helpers, Subordinate and Principal. (that's a pun, son). Besides carol singing there will be a wee spot of entertainment from each form.

Students and ex-students will be able to place their order for school rings and pins this week and after the holidays. Anyone wishing to obtain either should contact the Student Council. Watch this column for further information.

We would much appreciate it if our readers (we use this term loosely) would send us letters telling what they think of the column. (Please do not use profane language). Address all missives to Box 317 and for once we really mean it.

Political Speaker: "What we need in this country is a strong working majority and then..."

A Voice: "Better reverse that, mister. What we need in this country is a strong majority working..."
