CARD OF THANKS

Mr. Wilson Heaton, Glen Williams, wishes to thank friends and neighbours, Orion Lodge, Branch 120 Canadian Legion and St. Alban's Guild, for remembering him during his illness.

Legion Notes

Well, 1947 has passed into oblivion, and 1948 is with us. And what a difference the past year has seen take place in our old Legion Hall. From a club room holding less than a hundred people, we now have an auditorium capable of holding several hundred people, complete with lounge, washrooms, etc. that make it one of the finest clubs in Ontario. Kitchens facilities, we believe will soon be available, with the acquisition of large restaurant-type electric stove and refrigerator. The lounges are to be equipped with leather covered Chesterfields and easy chairs, as soon as they can be obtained.

And where does the credit for all this belong? To many members, but we believe, mainly to the executive, headed by President J. Arnot Eady, and the Building Committee. They have all given unstintingly of their time and talents to push the completion of the building through to a happy conclusion — and NOT always with the support of the majority of members, who to turn a phrase have "slayed away in droves" from the regular monthly meetings. Certainly, a meeting held on the basis of from fifteen to twenty per cent attendance of all paid-up members cannot be representative of the wishes of all members. So remember, comrades, next time you hear something being discussed, ask yourself if you have the right to criticize actions of the executive when you were not interested enough to attend the meeting and express your opinions.

Managed to corner Comrade Bill Roney, our treasurer the other night to ask about the finances of Branch 120. After a great deal of persuasion on our part, Bill finally broke down and admitted "things were getting rosier." For this little information he asked that we mention that he would be very happy to see any member who may have allowed his dues to slip behind a little. Bill also says that due to an extra levy of \$1.00 by Command, dues will probably have to be raised this year.

Entertainment Convenor Alex Taylor has arranged for Carling's Conservation Club to show pictures in the Legion Hall on Friday, January 16th. Particulars will appear in an ad in the Herald next week. Comrade Taylor reports a very successful year also. Although his official time as convenor has still a few months to run, he can already point to a profit of over \$1000.00 from his series of bingo and dances. This, we believe, is something of a record, in Branch 120, and deserves commendation.

The New Year's Party was a very large success. By "large" we mean the size of the crowd, who filled the Hall until it seemed the walls were bulging with members and their friends.

Until a few weeks ago, the rules governing the playing of darts in the Legion Hall were somewhat obscure, to say the least. In fact, it is no exaggeration to say that almost every player had his own idea about the rules of play. To settle the ensuing arguments, Com. Jack Kerr wrote to England for the rules as governing the official dart championships of England. That well-known (to Canadian forces at any rate) newspaper, "The News of the World" was good enough to send him a copy of the rules. So, now, the dart players have it, "right from the horse's mouth."

And now that there is heat in the rooms, how about some energetic soul organizing another cribbage tournament, embracing both local competition and teams from other Legion branches. And while we're at it, why not a bridge tournament.

Percy Faith, whose semi-symphonic arrangements are played by an orchestra under his direction on the "Contented Hour," Mondays at 10 p.m. EST, 11 p.m. AST, over station CIBC (Toronto) and the CBC Dominion network. Percy Faith began his musical career as a concert pianist and violinist in Toronto, his home city, and during the 20's became widely known as conductor and arranger on CBC musical shows. Since 1940 he has been in New York, associated with the "Contented Hour" broadcasts.

BRILL'S "BRAVES" WILL PLAY IN O.M.H.A. GROUP

Brill's Dept. Store will enter a team in OMHA competition this season, playing in a grouping with Acton, Milton and possibly Norval. The team will operate separately from the local juvenile league in which the store is also sponsoring a team. Jack Cotton was given the sanction of the GRC to operate the team at a meeting last night in the Old Town Hall. Brill's will pay all team expenses and any gate receipts over and above expenses will be turned over to the GRC.

At the same time, plans were completed for a four-team juvenile league. Four sponsors are backing the teams—Richardson's Hardware, Simmons Jewellers, Brill's, and Norval. Teams will draw their players from a pool of all eligible players, with Norval being allowed to enter as a team with a few additions from the pool.

The GRC also plans to enter an All-Star team in the OMHA play-downs. At the meeting Don Barraclough asked to be relieved of his duties as hockey committee chairman because of his job as assistant coach of the Intermediates. Alf Sykes will replace him in the job.

Donegal Kennels Acquire Outstanding Breeder

Donegal Kennels at Norval have acquired Geraldine, 2nd, grand daughter of Khighlight of Aragon, an outstanding champion and producer of champions in the U.S.A. Also in possession of Donegal Kennels are two outstanding daughters of this Irish setter matron now in whelp. Puppies will be available on April 15th, all pedigreed and registered stock. Both daughters were bred to Mikel of Malvern, a proven producer of international stock.

CARD OF THANKS

With all those from Georgetown and Glen Williams who so kindly remembered me with Christmas cards please accept my sincere thanks.
