GEORGETOWN - 16 FERGUS - 6

Georgetown Intermediates won their third straight league game on January 12th when they travelled to Fergus to beat the Thistles 6-3 on their home ice. Hal Gibson was the big gun for Georgetown, combining with Storey for half the goals and Bene Martin found his shooting eye to tally twice with an assist thrown in for good measure. Ferri got the other Georgetown goal.

The game was tight in the first period and it looked like a saw-saw battle when the period ended, 2-1 but in the second frame the Paper-makers put on the pressure and the Thistles wilted before a superior attack. Heavy ice got worse as the game progressed and neither team could do much in the scoreless third period.

Art Mursdick returned to the fold at centre to play against his former Fergus team-mates and teamed well on the second line with Ferri and Martin who stepped up from his defence position. Kenny Nash played his first game on defence.

Brill's Braves Drop Opener to Milton

A team of Milton lads counted to an easy victory last Friday over Brill's Braves, local juvenile OHA entry. It was the opening game for Brill's and the first game was home-ice for Stan-Fay's Milton aggregation who had lost an earlier game 11-5 to Acton.

Georgetown just couldn't seem to get going in the first period and in fact the Milton goalie had a snafu for no shots on goal were registered. Milton meanwhile notched three goals and would have had more except for good work in the net by "Pick" Dillon who stopped several sure ones.

The second period saw Brill's settling down to some good hockey which produced a goal by Jim Gollin at the three minute mark and a second one by Bill Bullivant midway through the period. The only penalties of the game went to Don Schenk and Arlow who roughed it up and did a 2-minute stretch in the cooler. Luck was with Milton

the 1948 roll. R. H. Ireland, manager of the Bank of Commerce branch in Georgetown attended the meeting and wished the Council members a successful year.

Accounts passed for payment included: Relief, \$61.10; Roads, \$6186.20; Halton County, 50% Esqueusing hospital acc'ts for 1947, \$928.54; Toronto relief acc't, \$204.68; Hawes and Nelson garage and hall acc't, \$2887.28; Halton County, 50% of payment to Ont. Training School for Esqueusing juvenile in 1947, \$91.25.

in the third period when a shot was deflected off a Georgetown player's skate to register Milton's fourth goal and Waters added another to make the final score 5-2. referee according to league rules. The visiting team supplies the and Jim Sargent was whistle-blower for the game. As no stop watch was available, the game was played on straight time - three 25 minute periods.

EARLY CHICKS"

"Fall eggs have always been the most profitable to produce, and Fall eggs can be obtained only through purchase of early chicks," say market experts of Dominion Department of Agriculture. Not only are late Summer and Fall eggs highest in price, for all sizes; but the premium for big eggs is widest then. From August to December, 1947, the spread between A-Large and A-Pullets ranged between 10 and 16 cents per dozen! That's worth shooting for! Aim for that top-price, top-premium market. Start good chicks - Bray Chicks - as early as possible. Full information cheerfully and promptly supplied.
