HUGH DOLSON WAS PROMINENT PEEL FARMER

Hugh Aikin Dolson, prominent
Peel County farmer, died at his
home, lot 17, 4th Line West, on
Wednesday morning, February 4th,
in his 84th year. He had been in
falling health for the past year.

Born on the fourth line west, he
was a son of the late Mr. and Mrs.
William Dunn Dolson, and was the
last surviving member of the fam-
ily. In 1890 he married Annie Isa-
bella Catton who survives him. Mr.
Dolson was an active member of
Peel County Agricultural Society,
for many years and was associated
with several farm groups in the
county including the Crop Improve-
ment Society, the Milk Producers
Association and the Holstein-Fries-
ian Association. He was a member
of the Masonic Lodge in Brampton
and of Mount Pleasant United
Church.

Besides his wife, he is survived
by one daughter, Mrs Lorne Cleave
(May) of Norval, one son, Harold,
on the homestead, and two grand-
children—James and Barry—Cleave
of Norval.

Rev. F. J. Dunlop officiated at
the funeral service on Friday from
the funeral home of the Brampton
Funeral Service, with Rev. A. J.
Vining of Toronto assisting. Pall-
bearers were Gordon Catton, Cluro
Catton, R. L. Catton of Toronto,
Clarence Dolson, Alex Dolson and
W. L. McClure. Interment was
made in Hillcrest Cemetery, Norval.

News and Views —For Halton Farmers

HALTON SEED FAIR AND BACON SHOW

The thirteenth annual Halton
Seed Fair and fourth annual Bacon
Show is scheduled for Milton, on
March 12th and 13th. This annual
event is being sponsored jointly by
the Halton Crop Improvement As-
sociation and the Halton Hog Pro-
ducers' Association. As in previous
years the Seed Fair will be open to
all farmers in the townships of Es-
quering, Nassagaweya, Nelson, Tru-
falgar, Erin, and Brantford, who
have seed grain for sale. Fur-
thermore the grain exhibited must
be of the same quality as that be-
ing offered for sale, and must be
covered by a control sample certi-
ficate giving grade and germination.

In brief, the Halton Seed Fair is
strictly a commercial show, held
primarily to bring together those in
need of seed grain and those offer-
ing it for sale.

A special section open to Halton
Junior Farmers is also being provi-
ded. In this section classes will be
included for Oats, Barley and
Wheat with a special inter-club
class. The annual Junior Farmers
Seed Judging Competition will be
held on Saturday morning, March
13th.

The bacon show this year is to
be conducted on an inter-township
basis. The township directors of
the Halton Hog Producers' Associa-
tion will select the hogs and make
the necessary entries. The entry
will be limited to five from each of
the four townships in the county
and one side from each of the twenty
hogs will be on display in the
Milton Town Hall on March 13th.
All hogs entered will be marketed
and processed at the Canada Pack-
ers' Plant in Toronto. Officials of
the Federal Live Stock Branch will
score and grade the resulting Wil-
shire sides under four headings,
namely: first quality; second qual-
ity; third quality; and fourth. All
hogs entered will receive a prize
and in addition specials will be awar-
ded to the hog producers of the
township with the best quality ex-
hibit. Entries for the bacon show
close on February 21st, and such
hogs must be marketed at Canada
Packers' Plant between February 23
and March 1st.

At the programme on the after-
noon of March 13th, the committee
in charge has arranged for a most
interesting programme. The fea-
ture of this will be the address of
Prof. J. C. Steukley, of the Ridge-
town Experimental Station.

This annual event, always attracts
a capacity house and over the past
twelve years, has proven to be an
excellent place to secure one's seed
grain requirements. Those with
seed grain for sale would be well
advised to send samples of their
seed away for grading immedi-
ately, in order that grades may be
back on March 12th. In the case
of cereal grains the sample culls
for one pound and 4 oz. in the case
of small seeds. Such samples should
be sent to the Plants Products Di-
vision, 86 Collier St., Toronto. The
charge for this service is \$1.00 for
small seeds, and 75c for cereal
grains.

HALTON JUNIORS DEBATE

The first of the inter-club deba-
ting series sponsored by Halton Ju-
nior Farmers was held in the au-
ditorium of the Milton High School
on Friday evening of last week.
The subject under debate "Resol-
ved that a reimposition of a sys-
tem of price controls would be in
the best interest of Canada" is a
most timely and controversial sub-
ject. The affirmative was upheld
by Stanley Jay and Vera May rep-
resenting Milton Juniors and the
negative by Ismy Keen and Ward
Brownridge of the Norval Juniors.
The panel of judges were Mrs. G.
E. Goodchild and Messrs. L. L.
Skuce and Geo. S. Elliott, whose
decision went to the Norval Club.
The Vice-President, Cameron Wil-
son was the able chairman of the
evening, and the programme inclu-
ded readings by Miss Lorna Law-
rence of Merton. A delightful eve-
ning's programme was brought to
a conclusion with dancing.

CALFHOOD VACCINATION

The canvass sponsored by the
Halton Live Stock Improvement As-
sociation and the Halton Federa-
tion of Agriculture has been fairly
well completed. According to the
summary just released by Agric.
Repr. J. E. Whitlock, 94 per cent
of the cattle owners have signed up
in favour of calfhood vaccination.
Such cattle owners will now be ex-
pected to contact the veterinarian
of their choice when they have
calves between the ages of six and
nine months of age.

This is indeed an excellent show-
ing and the township keymen and
canvassers have good reason to be
proud of the result of their efforts
which marks another milestone of
progress in the control of those
dread diseases — Bangs in Cattle
and Undulant Fever among hum-
ans.
