## SMITH AND STONE BOWLING NEWS

(By E. H.)

For the first time since bowling has started here, a Girls' team is in first place. Last Monday the Assembly Girls by taking 3 out of 4 points from the Punchers took over undisputed possession of first place in the League standing with 9 points. In the other games Ganarsky Rats took the Press Line by 3-1; Tool Room gave the Drafting their second "White-washing" in as many weeks 4-0; and the Baked Pins came to life with a bang taking the Possums team 3-1.

On Wednesday, the Bakelite Moulding "A" team kept up their winning ways by downing the engineers 3 to 1. The Merry Pins haven't seemed to have got started in this second series and lost to the Glazers 3-1.

The Standings to date are:

Assembly Girls	9
Glazers	8
Bakelite "A" and "B"	8
Tool Room Timber Topplers	8
Possums	7
Engineers	7
Ganarsky Rats	6
Press Line Fannies	6
Drafting Dipsy Doodlers	4
Baked Pins	4
Punchers	3

Joe Hall, Jr. of Glazers went all out on Wednesday and broke the High Triple for the season so far by rolling 826 (311, 272, 243). There were several other good games registered including Jim King with 749 (321, 225, 203); L. Norton 671 (230, 222, 219); G. Curren with 664 (293, 204); and G. Christensen 635 (238, 203).

Fitzgerald of Punchers took the High Triple for the girls with 514 with M. Kean 563, M. Mitchell 544, A. Christensen 524 and D. Watson 522 closely following.

This week there were three 300 games registered. Bob Peters was the highest with 334. Jim King had a 321 and Joe Hall Jr. a 311 game. If the bowling keeps going this way it looks as if Al Norton may be digging into the old pocket for \$50.00. It's possible and sooner or later someone is going to get it, so why not somebody from Smith and Stone.

The high averages so far are Dave Stamp (Tool Room) with 210 with E.V. Wilson (Press Line) 205 and Maurice Herbert (Tool Room) 204. Right now they are the only bowlers having an average of 200 or better.

For the Girls B. Cam is still high with a 179 average closely followed by Mary Patterson with 171.

The trophies for the Smith and Stone League, will soon be displayed for a week or more in the Herald window. We think they look even better than they did in the catalogue and the bowlers will have something to be really proud of. If you are passing the Herald Office next week or the week after have a look at what it is possible to win.

In the Industrial League Wednesday, Smith and Stone took it on

the chin. The Combines had one of their better nights or perhaps Smith and Stone had one of their poor nights but the fact remains that the Combines won by a 7-0 score. In the other game, Alliance came back to defeat the Provincial 5-2. This leaves the standings:

Combines	68
Smith and Stone	63
Provincial	53
Alliance	48

Smith and Stone had no good scores this week with only two or three bowlers over the 600 mark.

We think Ted Vahl was high with 628. However we still have one in the select 5 of high averages, Ev Wilson with 202.

From latest reports the game with Acton is definitely scheduled for Friday night. A team comprising Dave Stamp, Maurice Herbert, E.V. Wilson, Ted Vahl, Earl Hornby, and Jim King will attempt to uphold Georgetown and Smith and Stone. Here's hoping they can take the first game of what may develop into a series with Acton teams. It

is hoped that a team will go to Acton next week to play the Acton Industrial All-Stars.
