A story that never ends...

The tale your Telephone Directory tells is never finished. Year after year more names are added, more people whom you can call, and who can call you. Right now we're busy with unfilled orders... adding still more telephones just as fast as materials become available.

More people are using their telephones more often. Our constant aim is to make the service better, too, better in every way.

More telephones... better service... and always at the lowest possible cost. It all adds up to greater value for every telephone user.

COMMANDS REGIMENT

Lt. Col. F. H. Chisholm, ED of Oakville has assumed command of The Lorne Scots (Peel, Dufferin and Halton Regiment). Formerly second-in-command of the Regiment, he succeeds Lt. Col. C. F. Sharpe, ED of Streetsville, who retired from the army recently.

LT.-COL. CHISHOLM IS NEW LORNE SCOTS COMMANDER

Lt.-Col. F. H. Chisholm, ED of Oakville, has succeeded Lt.-Col. C. F. Sharpe, ED of Streetsville, as Commanding Officer of the Lorne Scots (Peel, Dufferin and Halton Regiment), it has been announced by Headquarters of Central Command.

Lt.-Col. Chisholm was appointed to his new post when the former Commanding Officer retired from the Service due to pressure of his civilian business.

The Lorne Scots' new commanding officer began his military career with the Halton Rifles in 1926. He later commanded C Company of the Battalion which was located in Burlington in 1930. From 1934 to 1940 he was Staff Captain of the 5th Infantry Brigade.

Enlisting for Active Service with the Lorne Scots in 1940, he proceeded overseas in June of that year and assumed command of the First Canadian Corps' Defence Company (Lorne Scots) in January, 1941.

During the war in North Africa in 1943 he commanded a company of the 2nd London-Fish Rifles and the following year was posted in charge of Defence Forces guarding the port of Antwerp, Belgium. On his return to Canada in 1945 he served, prior to demobilization, as second in command of Regina District Depot. It was in November 1946 that he returned to the Regiment and was appointed second in command, which post he held until his recent appointment as Commanding Officer.

Commenting this week on plans for a recruiting campaign which will be undertaken to bring The Lorne Scots up to full strength, Lt. Col. Chisholm said that arrangements have been made to accept recruits at Georgetown Armoury on Tuesday night.

Young men, 17½ and up, and in good health, are needed now. Complete information in connection with service in the Lorne Scots may be obtained at the above-mentioned recruiting point.

"She sure hauls them!"

When Bill and his crew go into the woods now, they get timber out twice as fast as they used to. That new tractor Bill bought really handles those logs!

Back in town, the saw-mill is running full blast, taking all Bill's crew can deliver. And this extra activity, this extra income spreading around through the community is largely due to the fact that Bill went to see his bank manager and arranged a loan to buy the tractor...

In lumbering towns and rural hamlets, in big seaports and tiny fishing villages, bank credit money at work - helps to increase business activity in whole communities. Your bank manager's job is to help men and women grasp opportunities and to put the bank's facilities to work for you and your neighbours.
