Former Peel County Sheriff Dies

Dr. Frederick S. Hutchinson, V.S., formerly sheriff of Peel County, died at his home in Brampton last Wednesday. In failing health for three years, he had been compelled to retire from the many organizations with which he had been associated.

Born on lot 2, 3rd line west Chinguacousy, a son of the late Mr. and Mrs. William Hutchinson, he was in his 62nd year. After graduating from the Ontario Veterinary College, he practiced in Cheltenham and then moved to Leamington where he worked for the government for a short time. He returned to Brampton where in 1919 he married Ruth Hull.

Dr. Hutchinson was known throughout Ontario as a showman and a judge of trotting and show horses. He had been president of the Ontario Standard Bred Horse Association, was a past president of Brampton Fair and of the Brampton Lions Club. In 1934 he was president of Peel County Liberal Association and the following year became sheriff, holding the position until his retirement two years ago. He was a member of Brampton Baptist Church.

Surviving are his widow and five daughters, Mr. Charles Wilkinson, Brampton, Mrs. Richard Murray, Winnipeg, Miss Hattie, Toronto, Mrs. J. R. Funston and Ruth, both of Brampton.

Lloyd Pickard Second In Judging Competition

Lloyd Pickard, Oakville, was second amongst the 1,300 competitors from all parts of the continent who took part in the Open Judging Competition held in connection with the selection of All-Canadian Holstein cattle. Mr. Pickard had a score of 146 points as compared to 148 out of 150 for the winner J. J. Murphy, Huntingdon, Quebec. J. C. Alexander, Georgetown, was in 32nd place with a score of 136 points closely followed by Johnston Neelands, Hornby, with 134 points.

In the Junior section in which entries were received from 506 Calf Club boys and girls throughout the Dominion, Stewart S. Alexander, Georgetown, was tied for 12th place with his score of 134 points. He was closely followed by Douglas C. Alexander, Georgetown, who was tied for 17th place with a score of 132 points.

The winner of the Junior Judging Competition was J. Earl Brown, 15-year-old Newcastle, Ontario, boy with a score of 144 points. Tied for second were Clare G. Hartley, Woodstock, and Marjorie Snyder, Waterloo, with 138 points each. It is interesting to note that no less than 22 different Calf Clubs are represented amongst the top 34 contestants that scored at least 130 points, this indicating the wide distribution of the prizes.

In the open competition J. J. Murphy, Huntingdon, Quebec, was first with a score of 148 while Lloyd A. Pickard, Oakville, was second with 146.

SMITH AND STONE BOWLING NEWS

by E. H.
Several times we have heard the remark — "Is the age of chivalry dead?" Some may say no, but it is doubtful if the Merry Pats and the Assembly Girls will agree. Last Wednesday the Baked Pins took the Merry Pats into camp via the "white-wash" route 4-0 and the Tool Room Timber Topplers inflicted the same dose on the Assembly Girls 4-0. These defeats were costly to both teams as the Assembly Girls were knocked out of the first place position and the Merry Pats are now sole occupants of the cellar position.

On Monday the Bakelite Midgets team took the Drafting by a 3-1 count. The Ganarsky Rats defeated the Glazers by 3-1. The Engineers pulled a surprise by taking the Press Line Pansies by the zero route 4-0. In the last game, the other Girls' team, the Punchers surprised the Porcupine by taking 3 out of 4 points.

The standings to date are:
Tool Room Timber Topplers 12
Bakelite Midget "A" and "B" 11
Engineers 11
Assembly Girls 9
Glazers 9
Ganarsky Rats 9
Porcupine 8
Baked Pins 8
Punchers 8
Press Line Pansies 6
Drafting Dipsy Doodlers 5
Merry Pats 5

The season High Triple took another beating this week when Earl Hornby (Drafting) bowled 847, (357, 262, 228). There were some other very good scores led by Ace Bailey (Ganarsky Rats) 789; Maurice Herbert (Tool Room 702, Bob Hall (Tool Room) 684, Murray Stamps (Engineers) 600, H. Fendley (Bakelite "B") 646 and Tom Niven (Engineers) 641.

For the girls, Millye Davidson (Assembly) took top honours for the week with 596 including 224 and 208 games. Following were T. Fitzgerald, (Punchers) 549, Jean Harley (Punchers) 525, Mary Patterson (Merry Pats) 525, Ethel Webster (Assembly) 505 and Elma Stringer (Merry Pats) 500.

This week there was only one 300 game with Earl Hornby taking the honours with a nice 357.

Well bowlers, the trophies at last are in the Herald Office window on display and look to be well worthy of winning. If you are going past the Herald window, don't forget to have a look at them.

By the way to skip for a minute from Bowling, just what happened to the Press Line Curling team last Saturday when the Tool Room took them by a 9-5 score. Tool Room evidently had the better team last week but perhaps a future match between these two teams may tell a different story.

In the Industrial League last Wednesday, the Provincial team not only supplied the opposing team, but also applied a white-washing to the Smith and Stone team by a 7-0 score. The first place Combines defeated the cellerite Alliance team by 5-2 to retain the top position.

Combines	63
Provincial	60
Smith and Stone	53
Alliance	50

High Triple for the week was taken by Tom Wylie (Provincial) with an 839 score which also gives him the season high triple. Another good score was registered by Bob Anderson (Combines) with 730.

The high Single was a tie between Tom Wylie and Bob Anderson both bowling 348.

The high averages so far are Bill Anderson (Combines) 226, Walter Cook (Combines) 215, Alf Kirby (Alliance) 215, Ken Nash (Combines) 206, and Ev Wilson (Smith and Stone) 203.

To date no one in league competition or open bowling has bettered the score of 404 for a single game established by Hugh Dickie of the Provincial team. Nice going Hugh, here's hoping you hold that record for the season.

Due to old man weather, the Acton-Georgetown game has not materialized as yet. However on Friday, February 27th there will be a match between a Smith and Stone team and a team from Acton. The direction as to where it will be played is still in the wind, but we think that it will be in Georgetown.

Webb's Bakery Closed for Repairs
Following a fire which badly damaged the interior of Webb's Bakery on February 12, the bake shop has been closed for repairs. Mr. Webb hopes to have the shop open again in a month's time. Chief hold up has been the purchasing of a new oven, the previous one being a total loss. Work is progressing at present on repairing the roof and the wiring.
