Day and night, more dependable than ever

TODAY, telephones are four times as free from "trouble" as twenty years ago, and there are twice as many of them!

Each month 10,000 are being added so that soon all may have dependable telephone service and the security that goes with it.

This is being done in spite of rising costs, yet up to now there has been no increase in the basic telephone rates established 21 years ago.

For you, this means greater value than ever before; for us, the satisfaction of providing "the best telephone service at the lowest cost".

## MASSIVE Traction TREAD

FOR HEAVY HAULS ON AND OFF THE HIGHWAY

The All Purpose has a wide, thick tread for plenty of traction — the ideal tire for farming, logging, general dump truck service, and gravel hauling.

Now is the time to put new tires on your trucks. It's a proven fact that tires "broken in" during cold weather stand up in hot weather better than brand new tires. So take the tip — buy tires now.
