**PEOPLE'S WIN 12 - 8 IN SATURDAY GAME**

Your sports reporter has slipped this year and no statistics are available on last Saturday's exhibition game between People's Credit Jewellers and the Toronto Hockey League. Georgetown did not do well to the victors, but did win 12-8 in a game which has been described as a National League caliber. Attendance at the game was down, with fans in the bleachers after the Milton Affair, and those who did attend were "lame" as a result of the best game yet for the team.

**STONE SCHOOL FARM FORUM**

Last week the Chocoma Line Farm Forum was enjoyed by the Stone School group, and after the breakfast discussion, Mr. R. S. Heald, who showed moving pictures. These were very beautiful and interesting and greatly enjoyed by all.

This week there was a record attendance of members at the Stone School, there being fifty present, and after the discussion there was a St. Patrick's Day contest for the ladies. This was won by Mrs. Harold Campbell and Mrs. Harry Martinson; the prize being a tremendous green cabbage. Amid much laughter it was discovered that the cabbage was divided into two. George Henderson, the president, and George Burt, the secretary, were delegated to attend the Farm Forum Convention to be held in Toronto at the end of March.

The lunch was in the hands of the men on this occasion, and a tremendous cake, iced in suitable pale green decorations, was ceremoniously cut by Mrs. Anne Stull. Miss Charlotte McCullough moved a vote of thanks on behalf of the ladies to all the men for their splendid lunch.

The March 22nd meeting will be the last Farm Forum for this season and will take the form of Review and Social Night.

You are not forgotten, mother, No ever will you be, long as life and memory lasts, We will remember thee.

Ever remembered by daughter Ivy, son-in-law Charlie and grandchildren.

**HIGH SCHOOL NEWS**

**Vic and Jo**  
Last Friday night the school's big dance was held in La Salle Route in the Arena. A well organized mob attended with dancing from 9 to 12:30. The music department was handled by the M.C., George Ady. One of the highlights of the evening was a Bingo dance started by our esteemed principal and Miss Mo Kelly (great intestinal fortitude). Other spot and elimination dances were won by Joan MacDougal and Stu Alexander, Nan Brown and Ken Hulme, Ray Anderson, Joyce McMilla.

A swell time was enjoyed by all (what a corny line). An added attraction was the abundance of the such 'New Looks' which by the way kept the floor well swept.

As any student will sadly tell you two of our teachers have been absent for about a week. Consequently the students with the exception of Fifth Form have been wallowing in spares and time off. The two lucky teachers are Miss Jessie Wilson and Miss Rose Piercey. Oh, how we missed them. (yuk, yuk).

One of the celebrated fifth formers namely Miss Jean Chester won second (we wuz robbed) place and tend ollars at an oratorical contest. This great event took place at Brampton last Friday night sponsored by the Lions Club. Congratulations Jean, we always said that you were good at talking.

**CARD OF THANKS**

We wish to thank all our friends for their many kindnesses during the illness and death of a beloved husband and father, particularly mentioning those who donated blood and the girls of the Smith and Stone Pottery Dept. — The Sargent Family.

Never before have we shown such splendid selections
