**SCOUTS AND GUIDES ORGANIZED AT NORVAL**

An inaugural meeting for forming Scouts and Guides, Brownies and Cubs, was held on Monday in Norval Parish Hall and in Norval United Church and met with outstanding success when over 70 young people enrolled in one or other of the groups. Leaders of other troops and packs were present from Brampton and Cooksville and offered to help the Norval organizations until the new officers can carry on themselves. The Guides and Brownies are particularly fortunate in having Mrs. E. C. Reed of Norval as chief assistant as she is Provincial Commissioner for Lower Guides and is keenly interested in this work. Mrs. Stulley and Miss Wood of Cooksville were also most helpful. Mrs. Collins, cub leader from Brampton is getting the local pack into shape, and Jim Collins and Gordon Mara are behind the new scout organization. Leaders in Norval are: Miss D. Jolley, guide captain; Mrs. Jack Lucas, brown owl; Aubrey Hudson and Dick Weller, scout masters; Miss Mary Coupland, cubmaster.

The scout and guide movement is sponsored by the newly-formed Tee-H group in Norval, small in numbers as yet, but possessed of community spirit and a willingness to spend time and effort in service. To provide equipment for the young people, a euchre and crokinole party is planned in Norval Parish Hall on Friday and it is hoped all parents will give it their support.

Guides, Brownies, Scouts and Cubs are reminded of a change in the next meeting date from Monday to Wednesday, April 21st at 7:30 p.m., Cubs and Scouts in the Parish Hall and Guides and Brownies in the United Church.

**ASHGROVE**

A very delightful community shower was held at the home of Mrs. Geo. Nurse and Harvey on Wednesday evening, April 7th to honour Miss Betty Ruddell and Ward Brownridge with 175 relatives and friends and neighbours present. A few tables of euchre were played, then a musical program followed with violin selections by Hartley Anderson and solos by Mrs. Francis Thompson. Betty and Ward were then seated under a decorated arch while several young ladies brought in baskets heaped with beautiful gifts. After these were opened Mrs. Thos. Giffen read a fitting address as Mrs. R. Cunningham presented Betty with an electric kitchen clock from the Institute. Both Betty and Ward feelingly replied and thanked everyone. All joined in singing "For they are jolly good fellows." Lunch closed a pleasant evening.

Our heartiest congratulations to Mr. and Mrs. Ward Brownridge who were married on Saturday afternoon at the bride's home. May they have a long and happy married life. We are sorry to report that Mrs. Fred Wrigglesworth is in the Guelph Hospital. All her friends hope for a speedy recovery.

**THIS AND THAT IN SPORT**

by G. Mac' McOllivray

"It ain't the individual, nor the army as a whole, but the everlasting team work of every bloomin' soul."

Congratulations, boys! You did a mighty fine job!

It took a championship team to shake off our lethargy and attempt a column this week. In the years that have gone by oh how we had hoped to be able to write the word "championship" and mean it—to write of a championship team. So we couldn't miss the opportunity to extend our felicitations and congratulations to all the boys on this year's team, the coach, the manager, the president and executive of the hockey club, even if our brain is a bit rusty and the old ballyhoo from this corner has been missing this season.

If we had the time we would like to delve back into the records and see on just how many occasions a Georgetown hockey team has won the group honours and gone on into the finals. We can recall many fine teams and as many excellent contests. But to think that only now—after 25 years with an indoor arena—we win an OHA championship. Certainly the team of 1948 deserve plenty of credit—and we salute a fine group of sports. May they continue to make Georgetown their home and duplicate their efforts again next season.

**Norval Hornets are Bantam Champs**

Undeclared all season, Norval Hornets won the GRC Bantam series by defeating the Reds 5-2 in the recent play-offs. The boys are pictured above with their coach, Rev. J. L. Self, Georgetown recrea-

tion director, Hal Newman, and Alf Sykes, chairman of the GRC hockey committee. Standing left to right: Jamie Cunningham (captain), Mr. Newman, Don Smith, Don Jarvie, Mr. Self, Brim Bastedo, Dale Se-

**THE WEATHER**

Mr. Editor:—

We are starting on our fourth week of SPRING — by the calendar at any rate, if not by the feel of the weather or the temperature report. As this is April, we expect to be due for the usual April showers; but Sunday certainly overdid the shower part and really turned it on.
