**ELMER'S THREE STARS**

**GEORGETOWN AT MARKHAM**  
Played at Oshawa on Thursday, April 8th

What a finish to a grand series! If you had had nerves or a heart condition you shouldn't have seen this thriller with the grand stand finish but should have stayed in bed.

First Georgetown took the lead. Then Markham tied it up. Then Markham went one goal up. Then Georgetown tied it up. Then in the last period, Markham once more took the lead and with only two or three minutes left in regular time, Georgetown tied it up. That meant overtime and what wild excitement that caused! With only a little over a minute left in the overtime, Georgetown once more took the lead which finally meant the game.

The 3 stars? Well, every Georgetown player probably deserved them as they gave all they had. But we have to select the 3 stars on the results attained so 1st star goes to Hal Gibson (affectionately called Gibby by his friends) who did the hat trick by scoring 3 of the Georgetown goals. Move over, Mayor Gibbons and let Gibby be Mayor for a week! (What a headache to wish on anyone!)

The 2nd star goes to Kent Storey who made the passes for all Gibby's goals. Kent never played a better game in Georgetown livery and his unselfish passing of the puck meant victory for Georgetown.

Several of the other Georgetown players deserve special mention such as Rhodes, Birtwistle, Patterson, Nash, in fact, all of them.

For Markham, one player stood out for the entire series and in this game he must have played at least 50 minutes. He is No. 11 and his name is Bangay. How that boy can stick handle and set up passes! We have no hesitation in giving him the 3rd star. He would look much better in a Georgetown uniform. Who knows?

This particular game was refereed by Charlie Good and Al Woods. Good did a very fair efficient job but the other fellow is the same party we took the blast at earlier in the season. He is not improving. In fact, he is worse.

So in conclusion, Elmer takes great pleasure in congratulating the new Intermediate A champions. To Coach Hutons and the management we also extend our thanks for a very enjoyable hockey season and a job well done.

The last snow disappears from the hollows... the streams rise, sink, run clear again... buds sprout and burst... the land dries... field work starts again... spring plowing, harrowing, seeding...

Spring work calls for labour and money which will not yield returns until harvest. In the meantime the Royal Bank is ready with seasonal loans to pay for labour, seed, fertilizer, equipment and improvements to land and buildings. Your local manager is always glad to see you.
