## Handling money

*costs* money

It costs you more to live these days.

And it costs your bank more to provide efficient banking service.

Bank staffs are more than half as large again as before the war; payrolls have nearly doubled. Taxes are up. So is the cost of everything banks buy.

Yet you pay no more for banking service than you did ten years ago. Today 7,000,000

Canadians are bank customers—striking evidence of the ever-widening usefulness of competitive banking in our national life.

## POST OFFICE NOW FULL CIVIL SERVICE STAFF

A recent change at the local Post Office has raised it from Class 2B to Class 8 and from now on the full staff will be civil service appointments. Up to the present, the postmaster, Lt.-Col. G. B. Cousins, has been the only civil servant. It is interesting to note that, the fiscal year ending March 31, 1948, produced the highest revenue ever recorded at the local post office and it was roughly double that of eight years ago.

## HIGH SCHOOL NEWS

by Vic and Jo

Due to the Easter holidays and the lack of news there has been no column for the last two weeks. We inform you of this fact as you probably didn't notice it anyhow. Unfortunately we have emerged from our state of inebriation and will again commence to give you the news in our own inimitable style.

On the Friday of this week the annual inspection of the Cadet Corps will take place at approximately 10.30 a.m. The cadets are praying for rain but in case it does not, there will be ceremonial drill, a precision squad, signal work, and a P.T. display by the girls. The public is cordially invited to come and watch this mess-err-mass display.

The Annual Cadet Formal will be held on Thursday, April 22nd at 9 p.m. in the Rose Room. Ted Williams and his 9 Wacky-Wackies from Guelph will supply the music (they're really a good orchestra). The dance was originally scheduled for Friday, the twenty-third but as the glee club sings at Brampton the same night it was found necessary to change the date. We might add that formal dress is optional. Admission is two dollars per couple and if you hate the opposite sex and come stag it's one buck.

Our esteemed principal Mr. J. L. Lambert has been absent from school for about a week. The cause of this holiday was rumoured to be a heavy cold. We certainly misused him. (yuk, yuk).

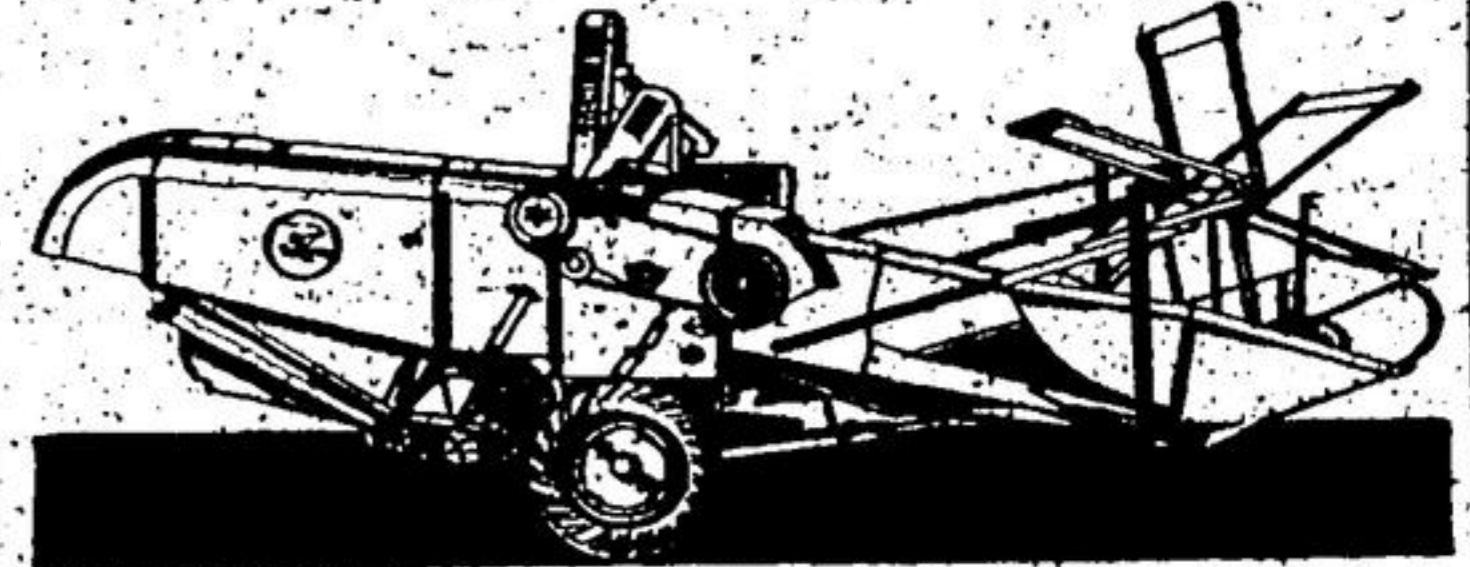

The Glee Club is busy practicing for their appearance at the Peel Music Festival at Brampton. Besides the Glee Club the school will be represented by soloists, duets, and such stuff.

This is a humorous incident which we must tell our ardent fans (this really happened). It seems that last Friday afternoon five of the school's most honoured and esteemed students had emerged from the arena after transacting some business. Three oldish women were passing by and one of those was overheard to say "Those boys have not sobered up from the game yet." We'll have you know, ladies that those students walk like that all the time. No nuns of course, but if D. Alexander, R. Hunter or H. De Vries read this column they'll know who we mean.
