Mr. Arthur Lane of Montreal has been visiting his mother, Mrs. R. Lane.

HIGH SCHOOL NEWS

The dreaded days of exams are again creeping up on the unwary student. These lucky souls in Cell will undergo two sets. A trial run starting May 14 and then the "Big Flop" otherwise known as the departmentals in June. Fourth formers only have one final set near the end of May or in June. We can't live forever.

The school's play club is entering the Halton Music Festival which is to take place in the mighty metropolis of Milton. It is hoped that they will do better than they did at the Peel Festival, which wasn't much. A track team is being sent to the Waterloo field meet on May 16 to represent dear old Alma Grammar. We have a fine bunch of strong athletes and we figured that the girls are in fine shape.

Miss Jessie Wilson, our esteemed science teacher has been ordered by her doctor to take a rest away from those cute little rascals in first form. Miss Penson our former science teacher has returned to beat some knowledge into our thick heads.

As we are being paid to mention this next item we must include it. It seems that Jean Chester and Kay Thompson sang at the Peel Festival and won a gold medal for their duet. They sang "Trees" or as it is best known "Dogs' Paradise." They also are in the market for a gallon can of Brasso.

During the second world war the amount of oil produced by Persia was almost double that of pre-war production.

SAMMIE FONG LEAVES TOWN

Sammie Fong, proprietor of the Golden Gate Cafe here for the past five years, held a party last Wednesday, entertaining members of the Council, the Provincial Police and other friends at a chicken supper. Mr. Fong has sold his business here to Fred Lee of Cobourg and will leave soon for Simcoe where he has purchased the Hollywood Cafe. Simcoe is his old home town which he left twenty years ago.
