### Mackenzie News

Rain, Rain . . . why does it always rain on the week-end? Nothing to do but sleep and think of all the things you could be doing outside.

Perhaps the rain forces you to think of your roof. We have a full supply of asphalt shingles in green, red, green blends and a new and attractive shade of blue. At \$8.50 per square this is one of the few items nearest to pre-war cost. No use paying taxes on your house and not keeping a good roof on it. See you in our new Municipal Building this week, paying your taxes.
