Congratulations and best wishes to Mr. and Mrs. James Stewart (Phyllis Murray) who were married in St. John's Church last Saturday. Mr. and Mrs. R. Travers of Mount Dennis were visitors with Mr. and Mrs. L. Greenwood last week.

The monthly meeting of Esqueping Women's Institute was held Tuesday in the school with Mrs. L. DeVries presiding.

Mrs. De Vries, Mrs. Walter Lawson and Miss Beatrice Standish were elected delegates to the District Annual Meeting at Ebenezer on June 1st. Discussion on the 50c fee was followed by a vote when the majority voted against a rise in fees. Plans were made for a display at Milton Fall Fair. Members were given assignments to assist with history of properties in the district.

W. A. Meeting was held Thursday afternoon at Mrs. Bally's home.

**Smith and Stone Bowling Banquet Concludes Season**

The Oddfellows Hall in Georgetown last Friday evening was the scene of the final wind-up of the Smith and Stone Bowling Season when a banquet was held. About 75 members sat down to 'beautifully decorated tables to partake of a chicken salad supper, catered for by the Rebekahs.

The chairman for the evening was the president, Tom Niven, who arranged everything with clockwork precision. It was a very enjoyable evening. Included were the presentation of the Smith and Stone Annual Bowling trophy and individual bowling trophies to the winning team, the Assembly Girls by Trygve Wold. Henry Ruge presented Mrs. Scotty Patterson and Dave Stamp with trophies for the High Average and Astrid Christensen and Edith Hornby trophies for the High Triples. Les Ellis presented trophies for the High Singles to Joan McNiwen and Everett Wilson and the Most Improved Bowlers trophies to Anne Luke and Judd Davidson. Mr. Wold also presented cash awards of \$25.00 to the winning Assembly Girls team, \$15.00 to the second place Glaziers team and \$10.00 to the Tool Room team. Cash awards known as point money to the tune of \$145.05 were distributed to all teams with every bowler receiving some money. This award was made by Eric Londeboro.

Alan Norton of the 'Lucky Strike' Bowling Club was present to award the winning team in the Industrial League, the Smith and Stone team with Ronson lighters suitably engraved "Bowling Champions 1948" with the Smith and Stone crest. Alan after making a few remarks as to the past bowling season told the winning bowlers that if they wished to have their names engraved on their lighters, he would personally see to it. He also remarked that the reason he was not going to present the "Lucky Strike Annual Award Trophy" at the present time was due to the fact that the Industrial League would be holding a banquet in the near future and at that time the trophy would be awarded to the Smith and Stone team.

There were a few highlights in the evening's fun. Hugh Lindsay provided several laughing periods with timely remarks and good jokes. Ted Vahl put on ten or fifteen minutes of contest fun which had to be seen to be enjoyed. Wonder if Frank Cleave and Jack Prasswood will do any more measuring or will the three girls ever chew bubble gum again; if Trygve Wold enjoyed the fun with the prize donated by the pinboys for Most Considerate Bowler.

On the whole a very enjoyable evening was spent and the committee of Peg Pasmore and Tom Niven with the help of several others are to be congratulated.

During the evening the election of officers for the coming season was held and the following were elected.

President — Murray Stamps  
Secretary — Helen Ritchie  
Treasurer — Doug Sargent

The new president moved a vote of thanks to the retiring officers and after a few remarks about the coming season, said he hoped the new executive could uphold the standard of the past one.

At a meeting of the new Baseball executive and the players held at the Fire Hall last Thursday evening, "Scotty" Patterson was appointed as coach for the coming season.

Several other things came up at the meeting. A motion was put forward and carried that the Secretary order a complete set of new uniforms to include socks and caps. They will be of white flannel with royal blue stripes.

A report was heard from the Grounds committee as to the condition of the diamond and they stated that the diamond would be in good shape for the opening day Saturday, June 12th.

Opening day as far as the team is concerned will be at Oakville on the 24th of May. Thus with the opening day so close, practices have been called for every night this week, weather permitting.

This year the Club hopes to present several new faces on the lineup. Most of last year's team are reporting for practices, including George Chaplin, Ev Wilson, Kent Storey, Hal Gibson, Scotty Patterson, "Epike" Scott, Larry Ritchie, Andy Ritchie, Mel Spence, Bill Ritchie, with new faces including Max and Leigh Bradbury, Ken Nash. As yet, none of the Brampton players have been at a practice in Georgetown. However it is hoped that several of them will be trying out this week. They include Don and Ken Long, Jim Jones, Robinson, who played a few games with Georgetown last year, Inches and there is a possibility that a Japanese boy will be behind the plate for some of the games.

There is also that possibility of an exhibition game this Saturday, probably with an All-Star team
