We See This Week

THAT the Dominion Store had its final coat of paint last Thursday in the Dordainor yellow and red colours, manager Norm Smith in charge.

THAT Georgetown is slated to have a new laundry with the opening planned for later in June.

THAT Credit Valley Bottling Works has a new orange Chevrolet light delivery truck.

THAT the Equity Theatre had an advertising tie-up with McClure's Home Furnishings last week, featuring "My Wild Irish Rose" and a sale of lamps on an attractive blotter printed in blue ink.

THAT the Herald office is hard at work this week printing ballots for the June 7 election. There are approximately 26,000 registered voters in the Halton electoral district.

THAT several Main Street merchants have been troubled with water seepage in their cellars lately and several had to have their cellars pumped out.

WITH THE ANGLERS

by George Hoare

The weather and water conditions were perfect for fly fishing last week. Especially in the evening and early morning. One morning the trout were jumping and yet there were not any flies noticeable on the water. As a rule when this happens they are hard to take on anything as they are just playing.

LUCKY ANGLERS

Jim Richardson connected with a nice 2 1/2 lb. brown trout last Thursday. The lure used was a black and white streamer tied by the writer in 1947.

Steve Emerson took a good sized brown on a large minnow. The unusual part of this catch was the fact that the minnow was half way up the leader and the trout on the hook.

Jim Coffey took a nice catch of browns last week on a fly tied by the writer. Jim had just purchased a new split-bamboo rod, line and reel that day. It payed off.

George Hoare Jr. took a nice brown last week on a fly. Over the week-end he creled two more — one was a 15 1/2 brown caught just at daylight on a worm. The other was a 12 1/2" speckled taken on a bucktail later in the day.

The Writter took several browns last week. One was a 19", 2 lb., 9 oz. fish. They were caught on various streamers.

Abbie Kemshead is really doing something worthwhile for conservation these days. Last week he shot two large snappers with a 22.

On the other hand the following were doing the opposite and were fined for their trouble. A Guelph fisherman was fined \$50 and costs for having eleven under-sized trout on his person. His poor excuse was that they would have died anyway.

At Gananoque two men were fined \$24.00 each for having more than their limit of pike.

I guess the Department means business.

Just announced are the dates for 1949 Sportsmen's Show in Toronto. The place — Coliseum, C.N.E., from March 18th to March 29th.

That's all for this week so good luck until next.
