**Georgetown Won 10-6
Against Milton Saturday**

The local club entered the win column with a decisive 10 to 6 win over Milton. It was a doubly important win as it was also the first home game of the team. Scotty Patterson was on the mound for Georgetown and pitched very good ball. However it took some tall talking to get this man on the field. Come what may, it certainly was worth the effort. The locals looked and played like a ball team, with some sparkling plays such as the ball by Wilson snagged in centre field with a one handed stab, then tripped, rolled over and came up with the ball. For this the fans gave him a good ovation, including tooting of car horns which evidently was heard outside the park. The team presented a slightly rearranged line-up due to Adashi and Wiley being absent. Norton went in to catch and Gibson took over a foreign position, first base.

The line-ups —
Milton — Clements rf; Rusk ss; Fay lb; Stover cf; Blinco lf; Evans 2b; McPhail c; Melanson 3b; Garvis p.

Georgetown — 2b; Scott 3b; Norton c; Spence rf; Dillon lf.

McPhail grounded to 3rd who touched the bag forcing Blinco.

If Saturday's game was an indication of the ball the Georgetown team can play, then perhaps they should play all their games at home. Outside of the Oakville game on opening day, the local team has had very little success. However, they showed the local fans they can play ball and should warrant a little better support in the future games. There are still several rumours floating around. One has passed this stage as a new pitcher has definitely been acquired. He will be going with the team to Acton on Wednesday night, and should be able to relieve a definitely short staff of pitchers. Also by next Saturday, the local fans will probably see a new outfielder. He has played ball for several years including a few in senior company. It is also hoped that Scotty Patterson will be available for all future games both at home and away.

Perhaps the only doubt in the fans' minds as to Saturday's games was the number of the ticket they received for that game. There are several reasons why the numbers were not drawn at the game. However the tickets have been drawn by Walter Blohn and the holders of the following numbers have won season tickets to the remaining five home games. These tickets may be picked up at the Herald Office by showing the corresponding portion of the ticket 198, 87, 46, 183, 120.

Don't forget the second home game will be against Acton in the Park on Saturday, June 19th at 3 p.m. There will also be a game next Wednesday with Oakville as opponents and Milton will be here on Saturday, June 26th.

MacKenzie News

They say there is a fly in every ointment — and in this beautiful June weather there are certain aphids on the rose leaves and black grubs on the shrubs — just to keep our thoughts down to earth, I guess.

We travelled down to Niagara Falls last week to the Coal Convention and as well as having a good time found out that good quality Anthracite is not too plentiful in production. It will be still a wise act to put in your fuel during the summer months. We are rather behind on our Nut coal orders but have been able to keep up-to-date with Stove size. We can make prompt delivery of Range coke, Briquettes or Pea coal. Let us know your requirements as soon as possible and it will help us in getting all our customers' bins filled up in orderly fashion.

See you in the garden with your spray gun. Let's hope this year's crop of pests hasn't been innoculated against D.D.T.
