The local baseball team enter-Girl's bicycle for sale - Phone tained Milton last Saturday in the Park. and perhaps this was a good way of expressing it. The final score ended 8 to 2 for the visitors with the - locals keeping up there the game away There seems to be a little more interest in fooling around with the ball than in actually playing ball,

Harry Comorie started on bround for Georgetown. Clements of Milton led off with a single and this hit plus 3 walks and an error put Milton in the lead by two runs. There was no further scoring until the 3rd when Milton added another run on a hit, an error, a fielder's choice and a long fly to the outfield. Then came the innings when the roof literally caved in on the locals. Melhail led off with single Marshall singled. Clements went out catcher to 1st with both runners advancing. Evans doubled scoring both runners. Fay struck Melanson got on through an error, with Wilson continuing to hold the Blinco singled scoring Stover. Don edge. Herrington came in to replace Comorie. Rusk got on through another ersor with Melanson scaring on the play. McPhail and Marshall finally ended the innings, Wanted, within town limits, both grounding out. This made the score 8-0.

> Georgetown got one run in the 8th when Wilson got on base through an error, then stole 2nd-Storey singled acoring Wilson. The next 3 batters went down in order. In the 9th, Inches led off with n single, then stole second. Herrington came through with a single to score Inches and there ended the scoring.

Evidently the old weatherman doesn't want to see he game played between Oakville and the localds. Last Wednesday the scheduled game was rained out and then when this game was up for last Monday night, rain postponed it again. It is hoped that this game will be played as so far this season, the only team the locals have played ball and have looked like a ball team was the opening game in Oakville. Perhaps Georgetown should play all their games against this team, at least as far as a spectator's point of view

is concerned. There is a scheduled game in Oakville tonight, weather permitting, and with some ball playing of playing, Georgetown should again

The next scheduled game in town will be against this same Oakville team on Wednesday, July 7th at
