Film To Promote Junior Farmers Now Under Way

Progress toward the production of a Junior Farmer Film, for educational and promotional purposes, sponsored by Imperial Oil Ltd., has been made with the formation of a special film committee by the provincial directors of the Junior Farmer organization.

The committee is composed of George Atkins, Bronte, chairman; Ross Beattie, Stayner; Wesley Down, Hilton; Stanley Steen, Meadowdale; and Lois Graham, Highland Creek. A film story from which the scenario will be constructed has been written by M. McIntyre Hood, who also wrote the story for the recently-completed Women's Institute film.

It is planned to have sections of the film made in various sections of the province, using local clubs and their members as much as possible for the filming of the various scenes.

MAN WITH A BAND — Art Hallman, Canadian Orchestra leader and vocalist, who recently completed 20 years entertaining radio listeners with the popular music for which he is noted. Today his voice and orchestra are heard frequently in CBC broadcasts from Toronto. Art got his start in radio in Vancouver, where, at the age of 18, he had his own vocal and piano program over a local station. Following this he joined Mart Kenney's orchestra as singer, pianist, saxophonist and arranger, and with the help of Kenney set up his own band 13 years later.

way from the characters dreamed up many years ago. With him, he has brought his paper, which speaks each week to more than 5,000,000 Canadians, and is their voice.

Presentation to Mr. and Mrs. Spence McKinnon

On Thursday evening, June 24th, the community of Bluevale had a presentation in the Community Hall of a purse of money to Mr. and Mrs. Spence McKinnon (Eleanor Milliere) of Georgetown, recent newlyweds. An address was read by A. D. Smith and the presentation made by Norm Ochm. After refreshments, old time dancing was enjoyed.

Forest loss is your loss...

Panic... despair... a lifetime's work burned out by a careless match, a smouldering campfire. This is not only one innocent man's loss—the guilty seldom suffer—but a serious loss to every Canadian. Timber, wildlife and streams, basic elements in our national economy, are all destroyed by the forest fire.

By observing the simple rules of the woods, which every real camper and sportsman obeys, you can help prevent the forest loss which costs Canadians nearly four million dollars a year in timber alone.

HELP PREVENT FOREST FIRES

1. Throw cigarette ends in the water or snub them out on a rock.
2. Break used matches in two.
3. Build campfires near the water on rocks or well cleared mineral soil.
4. Make sure your fire is out before you leave it unattended.
