Oakville Blasts Georgetown 15-4 Opening Game

The local baseball team absorbed their worst defeat last Saturday in the first game of the Intermediate "B" Halton County play-offs, when Oakville administered a 15 to 4 set-back. Oakville turned on Harry Comorie the starting pitcher, to the tune of 6 runs before he was relieved by Lefty Moran. That was the ball game right there as the locals could not fathom Turner's offerings for more than 4 runs. Turner actually won his own game in the first when he plastered one of Comorie's pitches over the fence to score behind two of his team mates.

Georgetown scored their first runs in the 3rd when Coles led off with a single, went to 2nd on a pass ball and scored on Storey's double. Gibson singled to score Storey, making the score 6 to 2. From here on it was strictly Oakville as they scored 1 in the 4th, 1 in the 5th, 3 in the 6th, 1 in the 7th and three in the 8th.

In the first of the 8th, the locals scored their final runs. Gibson singled, Nash singled with Gibson going to 3rd, Nash stole 2nd, Long swung at a 3rd strike but catcher Wallens dropped the ball letting it roll away from him and Long was safe at 1st. Wilson singled scoring Gibson and Nash and that finished the scoring.

(a) Hit into double play in 7th. Hits — Comorie, 4 for 6 runs in two thirds innings; Moran, 12 for 5 runs in five-thirds innings; Herrington, 3 for 4 runs in 2 innings.

Walks — Comorie 2; Moran, 1; Herrington 2; Strike outs, Moran, 9; Herrington, 1; Turner, 4. Losing pitcher — Comorie.

Tonight the teams meet in the second game in Georgetown, the game starting at 6:00 p.m. Starting pitcher for the home team lies between Herrington and Moran with Herrington probably getting the nod. For Oakville the probable starting pitcher will be M. Pollock their number 1 pitcher. This promises to be a good game and the locals should tie up the series.

We see that Ken Nash was in uniform, playing his first regular game for the locals and turned in a good game.

It was unfortunate for the home team when Scotty Patterson broke his thumb at work last Friday. It threw a small damper on the Georgetown hopes as Patterson seems to pitch better against Oakville than against any other team and he was slated to pitch last Saturday's game. But evidently Old Lady Luck seems to be continuing in her usual way for the locals — that is that everything happens at the wrong time.

WITH THE ANGLERS

LUCKY ANGLERS
Brown Trout

Duncan Toat decided on July 30 that he had rested the browns long enough and with that thought in mind arrived at his favourite fishing spot. A short time later he was wading to a good-sized brown. It put up quite a display of jumping before he was brought to net. It weighed 2 1/2 lbs and measured 18". Several other good sized ones struck at the fly. The fly Duncan was using was a despair tied by the writer.

Speckled Trout

Jack Crichton had a very good evening with the speckled recently. Ten fish were taken on a sunken wet fly. Five of them were around 9 and 10 inches. The other five were (believe it or not) all around the 12" mark.

Lake Simcoe Lakers

Clarence Walters, Ralph Blund and Kelly MacNally took some nice lake trout over the week end. Six were caught, the biggest one weighed about ten pounds. Art Crockett was the guide and as the above will prove he lived up to his reputation for knowing just where to steer his power boat to get the big ones. Stau Lyon took his power boat Dutch the 2nd out for a usual week

end, cruise and picked up 8 trout. The biggest one was between 8 and 9 lbs., the others were all fairly hefty fish. Speaking of hefty fish Stan tells me of a lunker he lost. It was probably the grand-daddy of all Simcoe Lakers. He was using about 600 feet of line when he hooked him. The fish put up a terrific struggle all the way in to the boat, it was then that the line broke at the swivel. Just how much he weighed no one will know. Stan said it made his nine pounds look small. It all goes to show that you can't call a laker your own until he is in the boat. Then if he is really a big one the best thing to do is sit on him.

The Ontario Federation's lucky draw tickets will be out soon. There were no winners locally last year so perhaps some one will put Georgetown in the news with a win this year.

That's all for this week so good luck until next.
