Our sincere sympathy to the family of the late Mr. Joe Gillis, for whom funeral services were held in St. Catharines on Tuesday afternoon. Mr. Gillis was the general manager at the Alliance Paper Mill. Vi and George Preston have returned from a trip to the thousand islands. They also took in the scenery at Niagara Falls. The trip was a most enjoyable one, and they looked rested and ready for work.

The heat these days is terrific. Overheard one of the Scott-Jackson boys say it was a lalupalusa. One of the others had a different name for it, but I doubt if the Editor prints that kind of definition. We were sorry to find our new neighbour Mrs. Hyde Parker had fallen and broken her ankle. We had an idea the Parkers were beginning to like what they had seen of our town. Hope you won't be confined too long, as we like to see you out and around the neighbourhood.

Dorothy Brandford had a party on Monday in honour of her eleventh birthday anniversary. She had as her guests — Marilyn Peters, Pauline Smith, Shirley Horton, Margaret Eason, Sandra James, Dianne Hillock. Preparations are going forward for Ruth Brandford's wedding which is to take place on September 4th. Ruth will make a lovely bride. Elinor Anthony entertained at a cup and saucer shower for Ruth. The girls had fun playing games. A bride's book created a great deal of fun and laughter. The evening finished with the serving of a very tasty lunch. Showers are never to be forgotten episodes in a girl's life. Ruth is very busy these days, and very, very happy.

The Lorne Peters week-ended in Buffalo. Georgetown's own Audrey Sharpe was thrilled and proud on Saturday morning to receive a telegram informing her she had been chosen as one of a guard of honour for Lady Mountbatten at the opening of the C.N.E. Lady Mountbatten is to inspect the first aid post of the St. John Ambulance Brigade of which Audrey is a member. The guard of honour is to be composed of the girls of the overseas outfit. Audrey went overseas in September of 1945 with the St. John Brigade which was attached to the RCAMC. She returned in October, 1946. There is very little we can say to describe the work that these girls did. Their efforts were tireless. We do all know their services were invaluable. In February of 1947, Audrey travelled to a remote part of Quebec, where her help was needed and appreciated. At this time her health forced her to take a rest and she returned in May, 1947. The inspection at the CNE is to take place at three o'clock on Friday afternoon. We, in Georgetown are glad you have been chosen for this honour and we are very proud of you Audrey.

Someone has said to me "Why do you bother to have so many children tagging along wherever you go?" If I drove down the street and didn't hear those little voices say "Hi, Anne," I wouldn't feel that my day had gone well. Children are so sincere, their friendship is something I value very much. So many friends to have, And joys that have no end, Through common days, with Humble duties best. I, all unseeking still have found The best, in life, My friends.

**WITH THE ANGLERS**  
 by George Hoare

In three weeks the trout season will be closed so if you haven't tied into that big one your chances are slim for this season, September 15 is the closing date.

Looking back to May the 1st one can say that it has been a very good season. The trout did not favour one type of lure because good catches were made on flies, minnows, and worms.

**Lucky Anglers**  
 Jack Koshhead sort of surprised everybody recently by hooking an 18 1/2" 2 1/2 lb. brown on a minnow. Several anglers had been fishing all day. When they had gone Jack walked down and took this beauty within five minutes.

Duncan Tost hooked several pan sized browns recently. They were all returned to the water unharmed. A despair fly was the lure.

Orval Rayner creeled some fair size browns recently.

The writer creeled a few browns recently. They were caught on Despairs and dry flies. Two of them were taken 15 minutes after darkness had set in.

**Lake Simcoe Lakers**  
 Stan Lyon and Art Crockett have taken some nice lakers the past few weeks while out trolling in their power boats. They weighed from 3 to 10 lbs. A large Williams wobbler was the lure the trout seemed to favour.

**Lucky Lures**  
 The following are a few of the streamers, Bucktails, and Flies that have given nice trout this season. Cream Bucktail, Silver King, White Marlboro and Silver, Royal Coachman Marlboro Alexandria, Red Despair, Green Despair, Wood Duck Despair, Yellow Sally, Coachman, White Miller, Olive Green, Mickey Finn. Other monstrosities without a name also took some nice fish. That's all for this week, so good luck until next.

**ASHGROVE**  
 The Ashgrove Women's Institute met on August 15th at the home of Mrs. Russell Hepburn with Mrs. Thomas Giffen, the new president, in charge. Roll Call was answered by "How I should entertain a teenage boy". Plans were made for exhibits to be shown at Georgetown and Milton Fairs. Delegates were appointed in the area convention in Guelph on September 1st and 2nd. Following the business the girls took over the rest of the programme by Margaret Alexander. The motto "a good education is a good dowry" was well taken by Doris Brownridge. Jessie Wingfield gave an interesting account of her trip to Chicago. Barbara Cunningham played a piano solo and Mary Ismond sang a solo. Eleanor Stark led in a musical contest after which the girls served a delicious lunch. Miss Vada Engden attended the wedding of her cousin Miss Phyllis Leonard in Toronto last Saturday. Mr. and Mrs. Tho. Giffen spent Sunday with her brother-in-law and sister, Mr. and Mrs. Walter Darity of Bolton. Mr. and Mrs. Fred Meares and daughter Mrs. I. of South St. Sask., dined at the home of Mr. and Mrs. Lorne Giffen.

**STEWARTTOWN**  
 Mrs. Law on has returned home after a visit to her daughter, Mrs. Joseph Hunter in Norval. Congratulations to Mr. and Mrs. Davey on the birth of a little son. Mrs. W. Humphrey had the misfortune last week to slip and fall. She struck her arm on a chair and dislocated her elbow. After having the arm x-rayed and bound up she was able to resume home. The arm is recovering slowly but satisfactorily. Mrs. Walter Hodie has returned home from the Toronto General Hospital where she has received treatment for several weeks. Mr. and Mrs. W. Bradley and baby Lynda were visitors with Mr. and Mrs. John Standish on Sunday. Rev. H. Coupland of Nova Scotia and Norval took the service at St. John's Church Sunday afternoon. Mrs. J. H. Schuele of Toronto is visiting with her niece, Mrs. A. Grant and Mr. Grant.

**YOU NEVER KNOW . . .**  
 A local fisherman made one of the most unusual catches of the season recently. Seems that this gentleman is especially fond of salami. One day he took a left-over sandwich with him in the boat but decided that it was stale and threw it in the water. Next day, fishing again, he made a cast, reeled in and — yes, you've guessed it — hooked a lovely salami.
