**Fancy and Trick Riding Act
Will Highlight 1948 Fair**

The Equine Agricultural Society has been successful in securing the Fancy and Trick Riding Act by Joan Ross, Babe (Barbara) and Lee Fairchild. This is a new attraction for fairs and exhibitions this season, and comes well recommended to Georgetown Fair.

The act is both exciting, dangerous and spectacular and includes three beautiful horses. This show has just returned from a week's engagement in the U.S. and the fair board are certainly fortunate in securing this fancy riding act.

Fair goes from far and near will not want to miss this attraction alone, and it will be staged in front of the grandstand.

**Reid-Brandford Wedding
at St. George's Church**

A quiet wedding was solemnized at St. George's Church of England on Saturday, September 4th when Rose Mary Ruth Brandford, elder daughter of Mr. and Mrs. George Brandford, became the bride of Claude Harold Reid, son of Mr. and Mrs. H. M. Reid. Archdeacon W. G. O. Thompson officiated at the

ceremony.

The bride wore an ankle length frock designed in white nylon net over silk poplin with sheer yoke and beatha collar. She carried a bouquet fashioned of red roses, bouvardia and baby mums and her veil of white net fell from a chapelier's-estate. The bride's attendant, Miss Eleanor Anthony, wore a sky blue replica of the bride's frock. Her bouquet was of pink sweetheart roses and baby's breath and her blue veil was caught with matching floral headpiece.

Mr. Lloyd Keir was groomsmen.

At the reception held at the home of the bride's parents, Mrs. Brandford, received the guests. She wore a teal blue dress with black accessories and bouquets of yellow sweetheart roses. Assisting was the groom's mother, wearing a royal blue dress with black accessories, and corsage of pink sweetheart roses.

For a trip north, the bride donned a grey wool suit with black accessories and blue top coat. Mr. and Mrs. Reid will reside in Georgetown.

HERE'S WHERE WE STAND ON NEW-CAR SELLING

**General Motors Dealers' "Foursquare Selling Policy" assures you
a Fair Deal when you buy a new car**

Let's bring this subject right out in the open. Many conditions still exist which encourage the "gray marketing" of automobiles. You don't like this — and neither do we. There's no law against "under the counter" deals — demanding a bonus for early delivery. There's no law against loading cars with accessories the customer doesn't want or need. There's no law against selling to buyers who make it their business to resell new cars at inflated prices.

But we don't do it because it's not good business. All dealers buy cars at clearly established factory prices which with the exception of transportation, are the same, model for model, all over the country. All start on a fair and equal basis — and should therefore sell at these fair and reasonable delivered prices. So we're making public announcement of our code of fair dealing. Our foursquare selling policy, simply stated, is this:

1 NO PADDING OF PRICES

We guarantee our delivered prices to conform with the manufacturer's recommendation and to contain nothing but standard charges which, of course, include Sales and Excise Taxes. You receive an itemized bill of sale. All prices are an "Open Book" — they are available to you and we sell at these listed figures.

3 TRADE-INS DESIRED — BUT NOT COMPULSORY

We will take your order for future delivery, without requiring a trade-in. However, we have many valued used-car customers who also depend upon us to supply them with automobiles. For this reason we would like to have your trade-in, and we'll give you a fair and reasonable allowance for it.

2 NO LOADING OF UNWANTED ACCESSORIES

All cars are offered with factory-installed accessories only and prices are figured to cover these. We pledge ourselves to add no "extras" except those each customer orders — and to avoid using "extras" to increase the delivered price.

4 NO COLLUSION

While we cannot prevent our customers from reselling new cars, we will not knowingly be a party to such transactions. Our only interest is to deliver new cars to bona fide customers.

We wish to express our sincere appreciation to our loyal customers and friends for their patience in awaiting their turn for delivery of new General Motors cars.

Although the popularity of General Motors cars is unprecedented, and the supply is lagging far behind the demand, we are doing our utmost to be fair and equitable in their distribution.

We present this platform because we believe it's good business to keep our customers informed.

It's a platform that gives you a fair deal when you buy a new car — exactly the same kind of a deal and treatment you got before the war.

If you wish additional information, it will gladly be supplied by any dealer whose name is signed to this announcement.
