Day and night, more dependable than ever

TODAY, telephones are four times as free from "trouble" as twenty years ago, and there are twice as many of them!

Each month 10,000 are being added so that soon all may have dependable telephone service and the security that goes with it.

This is being done in spite of rising costs, yet up to now there has been no increase in the basic telephone rates established 21 years ago.

For you, this means greater value than ever before; for us, the satisfaction of providing "the best telephone service at the lowest cost".

LINES TO GEORGETOWN GIRLS' PIPE BAND

They came, precision step, yet free. Bringing their music grand. Tartan clad and good to see. The Georgetown Girls Pipe Band.

As they marched, did we see brown rushing streams, And the mountain's towering spire, The setting sun, was it only dreams. The snow capped peaks a-fire.

Did we know again, forgotten pain. Stabbing from fields afar, Did we grope again, on the sodden plain, Of a now forgotten war.

To the town a credit, are you who sought, Produce those stirring tones. The matchless ring of the chanter's note, The wailing in the drone.

And every one an applaud saves, "No easy task" say some, The timing of the music waves. The lass who beats the drum.

Credit to self and teacher's skill, Who ever the teacher may be. For patience as you climbed the hill. Hard path to harmony.

The present a blur, in the lulling note, Did we live in the past a while, In fancy again in a white washed coat, In the far off misty Isle.

The pipers passed but a whispering sigh, Seemed to float in the autumn breeze, Chieftains' spirits commingling high, Among the maple trees.
