## Mrs. J. H. Lillo; D.D.P., Installs Rebekah Officers

During the sessions of the Rebekah Assembly held at St. Catharines last June Mrs. Pearl E. Lillo was appointed District Deputy President of Centre District No. 23 of Toronto and has supervision over eight lodges — six Toronto lodges and also Milton and Georgetown. Other members of Verdun Rebekah Lodge acting on the staff and assisting Sis. Lillo are Sisters Vivian Arnold, Laura MacKenzie, Ethel McGibbon and Myrtle Dron.

On Tuesday evening, October 5th Sis. Lillo assisted by her installation staff installed the officers of Verdun Rebekah Lodge, No. 184.

At 7:30 on arrival of the bus from Toronto over one hundred Rebekahs sat down to a delicious supper served by the members of Verdun Lodge under the convener-ship of the four group leaders. The tables were very pretty, decorated with fall leaves, candles and fruit. At each place accompanying the place cards were unusual favours, made by the decorating committee with Sis. Edith Kentner as convener.

At 8:30 all adjourned to the Lodge Rooms and at the close of the regular Lodge business the following officers were installed.

## Don't Waste Electricity

### Here's How YOU Can Help!

1. Turn off all unnecessary lights around the house. Check lights left burning in basement, attic, garage, and out-of-the-way places.
2. Switch off your electric iron when not in use. Don't waste electrically heated water—each drop wasted means electricity "down the drain".
3. Use all electrical appliances sparingly. Save electricity in every possible way at every hour of the day and night.
4. Remember: No saving is too small... SAVE some electricity every day!
