HIGH SCHOOL NEWS

by Lloyd
 During the past week the school has been the scene of two important meetings of the M.N. (Mixed Nuts) Security Council. All was chaos as usually, although Mr. Lambert attended Thursday's meeting and things moved along a little faster than usual. The main topic under discussion was a dance. The final verdict ran somewhat along these lines. The dance will be held Friday, Nov. 5th in Teen Town Hall if it can be obtained. 25c for students, 35c for others. Music will be brought to you via records. The decoration committee composed of Ross Sykes, Ken Mendham, Joan Latimer and Kathy Thompson were requested to use their ingenious minds and decorate the Hall to the best of their ability. The social committee is to arrange a programme with each form, if possible, putting on a little act. It should add up to a lot of fun if all goes as planned. More info when the time comes.

Andrew Molozzi Jr. was given official sanction to obtain necessary funds to purchase a record player for the school. It is to be hoped it will arrive before the coming dance. It is quite possible the school will be going down to the Museum in February. Maybe, if we are good, we can also attend the Royal Winter Fair this November. Commencement is to be held around Nov. 25th in one of the local churches and is to be composed of an all musical programme. With no crummy dances, no nauseating play, how can it be termed a true G.H.S. Commencement? December 6 was set for the beginning of the — ugh — Exams. What an utterly regusting thought!

LIMEHOUSE

Limehouse W.I. met at the home of Mrs. George Leslie on October 12th, fifteen members and seven visitors attending.
 The written roll call was answered by "Ways to make meetings more interesting, more simple, and more entertaining." Program was in charge of Publicity convener, Mrs. McVey. Motto "Glad Hearts Make Happy Homes", was taken by Mrs. Batkin. She also asked for a class of girls for this fall's Junior project.
 Considerable business was discussed. Mrs. Smethurst and Mrs. Frank Brown offered to attend the reforestation meeting in Milton on October 20th; \$2. was donated for electric wiring at Lowville Park; canvassers were appointed to contact those residing between No. 17 sideroad and the highway on lines 4, 5 and 6 re a T.B. chest x-ray clinic to be held here October 27, 7 p.m. to 10 p.m.; re-opening of Limehouse Memorial Hall following pointing and laying of a new floor was dated October 29; the regular annual community meeting would be November 3 at 8.30 p.m.; W.I. members appointed to the Hall board for the coming year include Mesdames F. T. C. Brown, E. Sanford and S. Kirkpatrick with the president, Mrs. E. Miller; the fall fair's committee realized \$119.65 as balance from recent exhibits. Mrs. F. Batkin donated a fancy applique quilt top to be finished, suggesting that it be used as a background for next year's display; a bazaar is planned for November and work is to be ready next meeting; Miss Spencer of the Dept. of Agriculture conducted a three-day course in needlecraft at the home of Mrs. Kirkpatrick sponsored by the local W.I. Mrs. McVey conducted a copper guessing contest which Mrs. Kirkpatrick won, the coppers being donated to the flower and fruit fund.
 The hostess served lunch at the close.
 Mr. and Mrs. Millere and Mr. and Mrs. Scratch visited Mrs. Alden, one evening last week.
 Bert Moredith, who is ill at Water, Mr. and Mrs. Douglas Gowdy of Toronto called in the village on Saturday.
 Miss Jean Raddell and her pupils at S. S. No. 9 conducted a paper

Sybil Bennett, K. C., Speaks to Local Ladies

The Thankoffering Meeting of the Woman's Missionary Society of Georgetown United Church was held in the auditorium of the church on Tuesday, October 12th at 3 o'clock. The president, Mrs. A. M. Nielsen, was in the chair, who also took charge of the devotional part of the service. The Thanksgiving decorations of sheaves of wheat and vegetables made a good background for the W.M.S. posters. These signify the Theme for each month. The Theme for October was "Lordship". Mr. Isabelle Cleave and Mrs. Robert Jones assisted with the Devotional. Mrs. Howard Wrigglesworth sang the beautiful hymn "There were ninety and nine".
 The guest speaker was Miss Sybil Bennett, K.C. She took as her subject — "The Church — how the church, in the early days, drifted from the ideal which Christ instilled into his teaching and put in the place of that, love of power and overlooked the needs of the common man — how the great reformers, Luther, Calvin, Wesley broke away from this false state of affairs and restored the true spirit of the church. As one looks at the progress, which has been made in Architecture and all the arts, one finds that the church is at the foundation of all these, as well as of all institutions for the well-being of mankind. This makes us realize we should value our opportunity as members of the W.M.S. of making our influence felt in the bringing in of the Kingdom, of setting the church first amongst our interests. A story was told of a nervous wreck of a woman going to see a psychiatrist who told her to attend church regularly for three months, becoming active in some of its associations and then return to him for his diagnosis. The speaker made a plea to resist the persuasions of Communists, who, he said, were in reality seekers after Power, in order to dominate and make captive men and women to whom they promised freedom. If we put the church first we shall offset these evil influences and make a greater degree of freedom possible for all. Miss Bennett recommended for reading a book called "A Guide to Confident Living."
 A motion of thanks was expressed by Miss H. A. Staunton to Miss Bennett and all who had assisted with the program. The president closed the meeting with prayer.
