FARM FORUM FROLIC AT THE STONE SCHOOL

The last monthly meeting of the Farm Forum series was held Monday evening, October 25th at the Stone School.

This Forum group has put on some very enjoyable evenings once every month throughout the summer recess and last Monday night seemed to be a grand finale.

For the first part of the program, entertainment was provided at the piano by Miss Shirley Burt, songs by Miss B. Anne McLaughlin and Earl Burt and Mr. Dick Mitchell with his accordion.

The second part provided by Mrs. H. Marchington resulted in Mrs. E. Miller receiving the prize for her effort at drawing a horse—horses seemed to be really laughing and provided much amusement.

After a few Halloween stunts, all enjoyed a wind-up dance with Mr. W. A. Wilson being the hit on the dance floor. The music for the dancing was ably provided by Miss Jean Ruddell at the piano and the violin by Mr. Clarence Varey with chief caller-offer, Mr. Joe Scott.

The hostesses who attended to the desires of the inner man were Mrs. H. Marchington, Mrs. Clarence Varey and Mrs. K. C. Lindsay, with pie and more pie being the big call of the evening.

The Farm Forum Broadcasts start next Monday night and the Stone School group are all set to resume winter activities.

IN THE MAIL BAG

October 27th, 1948

Dear Mr. Editor:

We the hockey fans, and potential payers of the mortgage on the Memorial Arena, resent the fact that the Parks Board refuses to allow us to enter the arena to watch the practices of the team.

If they wish to restrict attendance to those who will be of a sufficiently responsible age to avoid damage to the seating or building, then why not make a small charge of ten or fifteen cents to those wishing to watch hockey practices.

Incidentally it also seems an injustice to charge watchers the full amount charged skaters for the privilege of watching people skate. Here again it would seem that ten or fifteen cents per person would be quite sufficient to restrict attendance to those genuinely interested.

Yours very truly,

HOCKEY FANS

THE WEATHER

Mr. Editor: Those two mornings this week registering a low of 22 and 23 made us look at the coal-bin with winking eyes.

The first snow flurry last Monday, was quite a lot earlier than last year when it occurred on November 9th; in fact, October on the whole is falling far behind the beautiful month we had in 1947.

Credit Lodge Entertains County Lodges

County Night at Credit Lodge, A.F. and A.M., was celebrated on Tuesday, October 19th when visitors from five other lodges in the county attended a banquet in the Legion Hall following a lodge meeting in the Lodge rooms. Wor. Bro. Howard Wrigglesworth, Master of the lodge, was toastmaster and after a chicken dinner, introduced the guest speaker, E. V. MacCormack, who substituted for Rev. Russell MacGillivray of Oakville, who was prevented by illness from attending.

A toast to Grand Lodge by Bro. W. J. Beatty of Acton was responded to by Rt. Wor. Bro. Neil MacEachern of Waterloo. Wor. Bro. Frank Wilson proposed a toast to the visitors and Bro. Wilbert Cleave proposed the Junior Warden's toast. Music during the evening was contributed by the Campbellville Quartette.

CARS DAMAGED IN WEEK-END ACCIDENTS

An accident at midnight on Saturday on the highway in front of Scott Motor Sales did considerable damage to two of three cars involved. A car driven by William Martin of Brampton had stopped to discharge a passenger and a car driven by Donald Long of Toronto stopped behind. A Simpson's Taxi driven by Aubrey Gray struck the rear of the Long car, causing about \$150 damage to it and about \$300 damage to the taxi. A taxi passenger had facial cuts when he was thrown against the windshield.

On Monday afternoon a car driven by Mrs. A. Korshak when turning onto Main Street from Mill St. struck a parked car owned by Albert Hudson of Norval, which pushed another parked car onto the sidewalk. Damage to the vehicles is estimated at \$100.

FORMER GEORGETOWN BAKER BURIED HERE

A resident of Georgetown several years ago where he was employed as a baker, Frederick C. Johnson, who died last week at his home in Clinton was buried in Greenwood Cemetery last Thursday. Rev. Alex Calder officiated at a committal service at the graveside. Mr. Johnson, who had been employed in Milton before residing in Georgetown, is survived by his wife, Emma Godfrey, member of an old Georgetown family, who is the daughter of the late Edward Godfrey. They had resided in Clinton since leaving Georgetown.

"ATHENIA" SUCCESSOR WELCOMED

Nine years after the Donaldson liner "Athenia" was torpedoed in the early days of the war, regular direct passenger service between Glasgow and Montreal has been re-established by the modern 40-passenger Donaldson Atlantic cargo liner "Lismoria". Here Captain R. C. Young of the Lismoria pre-

sents greetings to Montreal alderman W. R. Billoch from the Lord Provost of Glasgow. Montreal alderman W. R. Billoch from the Lord Provost of Glasgow. In the background is the coat of arms of Montreal, which the Lismoria carries in her lounge, together with the arms of the City of Glasgow.

HALTON CCF ELECTS OFFICERS

The Annual meeting of the Halton C.C.F. took place on October 22nd in Milton.

The election of officers was held with Arthur Hawes in the chair. The following were two new officers elected:

President — George Robertson
Vice Pres. — Robert Duncan
2nd Vice Pres. — Archie Service
Sec'y.—Mrs. George Robertson
Chairman of Membership Committee — Will Turber

Mr. Robertson, the new president, took the chair. He introduced Mr. Hawes, who is one of the most tireless workers for the C.C.F. In an interesting discourse, Mr. Hawes outlined the conduct of each and every member of the C.C.F. and made it clear that the first term program of the Party should be read and understood. He said that he had yet to meet the Conservative who could off-hand tell one of the famous twenty two points of the program of that party. It is essential that this should not be the case in the C. C. F.

Especial emphasis was placed by Mr. Hawes on the need for farmers and urban workers to get together to iron out differences. These differences have been built up by press and radio with the idea of keeping these two groups apart. That their ultimate aims are identical can only be shown by co-operative planning in conferences such as were held in Saskatchewan. The results of such planning have been fruitful in that Province.

With the surety of a Federal election in the Spring, the effort of every C.C.F. member in helping to attract new members is essential. The peoples' party must prepare to become the Government.

Mr. Hawes spoke for thirty minutes but the time seemed to fly quickly. Discussion followed and the meeting had a brief social time.

Miss Ilsa Bessey of the teaching staff of Harwood school, Toronto, was a week-end visitor at the home of her parents, Mr. and Mrs. Herbert Bessey.

Mrs. Mary Bedell and Miss Joyce Bedell have returned from a bus trip to California.

Mr. and Mrs. Dick Licata enjoyed a trip to Detroit and Ann Arbor, Michigan, over the week-end where they visited with his nephew, Harry Licata.

ASHGROVE

HALLOWE'EN

On Halloween if you go out, You'd better mind what you're about, With witches hiding here and there And riding broomsticks thro the air, And don't forget that flying bats, And hooting owls and big black cats,

Are lurking in the dark for you, So just be careful what you do. Once again autumn is ushered in, in all its rich beauty. The gardens are lush with vegetables ripened to maturity, the pumpkins, salvia and zinnias lending vivid splashes of colour to the scene, the trees are lovely in brilliant red and gold, the air is laden with the beauty and ripeness of October.

Mrs. Cecil Wilson was hostess for the October Institute meeting last Tuesday afternoon with Mrs. Thelma Giffen presiding. The meeting opened with the hymn "Come Ye Thankful People Come" Roll Call was answered with a Thanksgiving thought. Mrs. B. Cunningham gave the motto "Reflect on present blessings of which we all have many, not on past misfortunes of which we all have some." It was agreed to send two parcels to Britain next month. A committee of four ladies was appointed to plan a social for November. Mrs. Frank Wilson gave a paper on "The origin of Thanksgiving". Mrs. Wm. Cromar of Stewarttown entertained with humorous readings. A social hour concluded the afternoon.

Sympathy is extended to Mr. and Mrs. Horace Barnes and family in the loss of his mother, Mrs. Jas. Barnes.

Friday evening friends and neighbours gathered in the school house to honour Mr. and Mrs. Harvey Nurse. The evening was spent in dancing and at eleven-thirty a presentation of a writing-desk was made to the newly weds. Lunch and more dancing finished the evening.

Mr. and Mrs. James Long of Meaford have been visiting for the past two weeks with Mr. and Mrs. Walter Brownridge and the latter's sister, Miss Savres of Georgetown. The painting and decorating in the church is progressing nicely and it is hoped to have it in readiness for anniversary services on November 7th.

Mr. and Mrs. Wilf Hunter have closed their Valleyview Cabins at Huntsville for the season and are back in Georgetown for the winter.

HALLOWE'EN PARTIES THIS WEEK-END

The Halloween week-end will be celebrated by children and grown-ups alike. On Friday, the Lions Club is planning a masquerade ball in the Rose Room, with the Debonnaires playing for dancing. NICK FERRI GETS ANTHONY MEDAL

Nick Ferri, peppery little forward of the Brampton Excelsiors lacrosse team and a star performer with Georgetown's Intermediate Hockey team for the past few seasons, has received the Pete Anthony Memorial Medal as the most valuable player on the 1948 lacrosse team. The medal is given yearly by Bill Anthony and his mother in memory of one of Brampton's greatest goal tenders who was killed two years ago in a motor accident. Holder of the first medal last year was Carl Madgett.

Nick Ferri, who topped his team in goal-getting this season was the unanimous choice of players and fans.

Chatting... With Anne

Well! As Joe used to say "I must get on my horse." This, every time he had work to do. My work is starting me in the face on every hand. So much of it to do, there isn't much use starting tonight, so shall chat with some of my friends instead.

Constructive work is supposed to be good for a child's mental development. If the hammering in our basement is any indication of construction, these boys should have a good future. They are a grand bunch of boys. I learn from them every day.

While we have it in mind, must mention that while we said Mrs. Thos. Grievé was Zone representative, this was not correct. Mrs. Grievé attended the convention in Sault Ste. Marie because she is interested in all-work that has to do with the Legion, and maintains there is always something new to be learned.

Mrs. Millie Armann has been ill for the past two weeks and Cooke and I miss her very much in our daily work. Remember this little benediction. The Scripture says that in His own sweet way

If we but wait, The Lord will take our burdens and set

All our troubles straight. Saturday night is the night we have been waiting for. Halloween! Witches and kobolds walk, and so on, but mostly it is the night for everyone to shell out for the children.

Well, it seems that I am not the only one who gets stuck in the mud in town. One chap I saw yesterday was well in the mud on John Street. His remarks were anything but complimentary, his language had a magenta tint, but after we passing motorists had helped him out of his difficulties, he said "It isn't such a bad town after all, taking it by and large." Just what I have always said.

Dropped in at Albert Simson's new studio of photography. It is a pleasant place. Freshly decorated, it is clean and bright, and relaxing. Albert specializes in portrait studies, and the ones we saw in the studio were natural. Photos by Albert Simson would make the kind of Christmas gifts that would be appreciated.

Speaking of gifts, whether it be for Christmas or for weddings and birthdays, a good place to browse and shop is the Phoenix Gift Shop. Ruth Barber and Olive Moyer both have the knack of finding just the right gift to fit any occasion, and there are dozens of cards to complete the gift.

Quite the nicest chat we have had this week, was with Mr. and Mrs. George Charters of College View. Mr. Charters had just celebrated his ninety-first birthday on October 22nd. He was in good health as was Mrs. Charters who will be eighty-four years old on November 3rd. Mrs. Charters does all her own housework and has a keen enjoyment of life. Says she enjoys our column very much. Mr. Charters was happy about a cake baked for him by Mrs. R. T. Paul and another by Mrs. Jones. Mrs. McGuigan and Mrs. Koloski, good neighbours, had presented them with roses. We hope you have many more such pleasant anniversaries.

God loves the aged.
He gives them greater vision than the young;
He puts the words of wisdom on their tongue;
And keeps his presence ever by their side,
From dawn to dusk, and on through even-tide.
God helps the Aged.
Within their home His Spirit ever dwells;
Their mellow hearts are touched like chiming bells;
He calms their fears, their worries disappear,
Because they know His help is always near.
God keeps the Aged.
With hearts of gold, and silver-tinted hair,
And earnestness, and greater faith in prayer;
He keeps them as a shepherd guards his sheep,
Till in his fold they gently fall asleep.

—ANNE

Dr. and Mrs. Samuel Bean of London visited in town yesterday with Mr. and Mrs. Walter Blehn.

Mr. and Mrs. T. Grievé, Mr. Alva Grievé and Miss Mary O'Hara were in Colborne for the week-end, where they attended the wedding of Miss Rosemary Rutherford. Miss Rutherford is the daughter of Mr. Grievé's cousin, C. S. Rutherford, V.C., who is postmaster at Colborne.
