HIGH SCHOOL NEWS

by Lloyd
This past week has been one of the dander school weeks. Nobody has been hurt, beaten, or mildly scratched. There was no council meeting, no social activities of any sort, in fact nothing has happened. Everyone has been praying expectantly for the school to catch fire, one of the teachers to fall down the many steps or something just as trivial to break the prevailing monotony. Speaking of fire, the school's new furnace is giving good performance, and on cool days gives twice as much heat as the old stove. (It heats two rooms rather than the previous one). Under the experienced hands of Mr. Evans, our caretaker, everyone in school manages to get a little heat.

The most popular games around school this past week, and for previous weeks have been volleyball and soccer. Both are rugged games and are played by girls and boys alike. Volleyball played by the rules is a comparatively tame game but in GHS it is a minor form of suicide. It consists of flailing arms and legs with everyone trying to hit the ball at once. A few manage this but the majority hit or tromp on anybody handy. In soccer the boys play a modified version of slaughter, with everyone kicking, scratching, biting or body-checking the unlucky near-departed soul with the ball. The girls' game of soccer played principally by first form girls is scarcely less rough than the boys.

This week I am able to bring you the score of the rugby game that I did not have last week; it was—Scott 12, Kirkwood 0. Last week there were two more games following the style of previous matches, plenty of plunging with nobody seriously killed. The scores are 1st game Denham 0, Scott, 22;

Beginning this week I will bring a new and different feature to the G.H.S. column. It has never been attempted before and probably will never be again. It will be a murder story by one of the noted writers of murder stories Mr. Murder. Hope you don't enjoy it.

The title: "The Case of the Bewildered Mummy" or "How wrapped up in yourself you are Mother!"

One bleak December night last Fall as the winds and dense blinding snow were howling preposterously around the majestic plywood door of the deserted looking shack in the foothills of Glen Williams one could hear strange noises ushering from the building; strange mysterious straggling sounds as if someone was being strangled. (to be continued).

BAPTIST CHURCH HIGHLIGHTS

Sunday Morning, the Sunday School was combined with the Church service at the hour of 10 o'clock as it was Rally Day. The Sunday School superintendent, Watson Winfield, was in charge. Miss Donna Thompson read the Scripture, the primary and beginners sang a special number. The pastor brought the message, pointing out how the church service should be the ultimate goal of the Sunday School. Many children are lost before they become church members. This ought not to be.

Jesus sent His disciples out with the Holy Spirit to face a heathen world. Christian teachers and leaders have the greatest work in the world. May we give our best to the Master.

At the evening service members of the mission circle took part. Mrs. Winfield was in charge. Mrs. W. F. Smith read the scripture lesson and Mrs. A. Reeve offered prayer. Miss Kathleen Ford, a missionary to the new Canadians of Norfolk County, was the guest speaker. Miss Ford is doing a splendid work as a missionary, also teaching them basic English, and in many ways helping these people to feel at home in a strange land. They are so eager to become real Canadian citizens.

Miss Gladys Kitchen, of Waterford, one of Miss Ford's helpers and the pastor sang two duets, At Calvary and In Jesus. The choir sang the anthem, Praise the Lord, Oh Jerusalem, with Miss Jean Harley taking the solo.

The Jr. B.Y.P.U. meeting got away to a good start. The children take part in readings and instrumentals. Mrs. W. Peck and Mrs. E. Thompson, leaders in the mission band give leadership in the Jr. B.Y.P.U. with the pastor leading in choruses and a Bible Study.

The Sr. B.Y.P.U. meeting was held Monday evening at 8 o'clock with Rev. A. Luck of Cheltenham as speaker. He said that "Freedom" was a condition, rather than a goal. The Apostle Paul describes freedom in 1st Cor. Chap. 10. Freedom in Jesus Christ is the only worthwhile kind and there is also freedom in God's service.

This is our Average Shareholder...

His name may be George Wilson, Patrick O'Reilly or Emile Legault. He may be a farmer, a lawyer, a carpenter, a real estate agent, a banker, a teacher or one of our own employees. His wife or mother might be a shareholder. He and about 5,000 other Canadians from all walks of life are the owners of Dominion Textile Company Limited. Last year, among them, they did \$57,036,394 worth of business. That was the company's total income for the year.

Let's simplify it and say each Average Shareholder did \$11,567.67 worth of business. That was the money he took in. Now let's look at what he spent to get that money. Here it is, roughly calculated, for the average shareholder.
