THE GARDSMAN

The GARDSMAN may save YOUR life by eliminating the danger of being trapped by fire while asleep.

- Modern scientific engineering has made it possible to place a FIRE DETECTOR and ALARM in your home to help protect you against loss of life by fire.
- This outstanding invention, known as the GARDSMAN will ring out a loud warning for you and your family to leave the premises before it is too late.
- The GARDSMAN is non-electrical, has no batteries, chemicals or fusible links, does not require any installation — just hang it on a nail.
- You carry fire insurance to protect you against loss of property but what protection have you against the loss of your LIFE and the LIVES of your loved ones in that very same fire?
- This sensational life saving device is now available at a nominal cost. Don't delay — don't wait — call on your dealer — RIGHT NOW — for a demonstration.
