**HIGH SCHOOL NEWS**

by Lloyd

During the past week on two occasions the school has been graced by the presence of Mr. Stewart, the inspector. Both on Monday and Friday, Mr. Stewart was in the building wandering from room to room to hall expecting and respecting the students and teachers. Expecting a lot from the pupils and respecting the teachers who have to teach such ignorant morons (Fifth form included). He is one of the, if not the best inspectors in all of Canada. Kind and understanding he is always willing to help clear up minor points on which a student is not too clear. By never raising his voice nor becoming angry, at a not to brilliant answer he has gained the esteem of pupils and teachers alike. It is to be noted the teachers were in a very jovial, sympathetic and understanding mood while the inspector was in the school. Too bad he can't stay all the time.

The exams have been postponed till the ninth, three days later than scheduled and will continue to the following Wednesday. No other

There is not much more of importance to report in school activities this week. Everyone of course is busy studying their little heads off for the exams. What fools they are! They waste all that time studying to get 80 or 90 or some other ridiculous mark.

AD: For the benefit of all H.S. students who attend Teen Town dances there will be one this Friday, December 10th.

Having ended my story last week I am left with a little space on my hands and in my head as well. To fill this up I am going to begin another feature to be called the Joke Corner or Corny Jokes. These will be chiefly through the courtesy of Milton Berle.

Scene: A noted haberdashery.

Joan Dobey (at counter) I want to see some gloves.

A. Molozzi — What kind, kid.

Joan: Sir, How dare you.

A poem dedicated to the girls of G.H.S.

My lady be wary of cupid!  
And listen to the lines of the verse  
To let a fool kiss you is stupid,  
To let a kiss fool you is worse.

Daffynition: Ashtray — Where you put the butts if the room does not have a floor.

**Institute Prepares For Christmas Shut-In Cheer**

The regular monthly meeting of the Georgetown Women's Institute took place at the home of Mrs. W. G. Bell, Main St. South, on Wednesday evening, December 1st, at eight o'clock, with the president, Mrs. H. C. Bailey, in the chair.

The Roll Call "What I Would like for Christmas" was well responded to. Mrs. E. R. Robinson convener of the rummage sale held recently, gave a good report proving that the venture had been profitable. \$5.00 was voted to the work of the St. John Ambulance Association.

Mrs. Harold Cleave, social convener for the evening took over, and introduced Mrs. Howard Wrigglesworth, who sang two much enjoyed solos. Mrs. C. Freure gave a reading "The Christmas Story" and as usual was greatly appreciated, and gave a great deal of food for thought of the true meaning of Christmas. All joined in the singing of Christmas carols. The accompanist for the evening was Mrs. R. T. Pepp.

**The sale of the articles donated brought in quite a tidy sum for the Christmas Hamper Fund.**

Refreshments were served by the hostess, Mrs. Bell, and Committee Mrs. Harold Cleave, Mrs. V. T. Cavanaugh, Mrs. R. T. Paul and Mrs. J. Williamson. Mrs. Wm. Sinclair moved a vote of thanks to all who had given the Institute another profitable and enjoyable evening.

**HIGH SCHOOL INSPECTOR GETS NEW POST**

W. R. Stewart, Ontario High School Inspector who just last week was in town on his annual inspection visit to Georgetown High School has been appointed acting director of English Instruction in all public, secondary and separate schools in the province. Mr. Stewart fills a new office created by the Ontario Cabinet to remove a controversial subject which has been the subject of criticism. Up to the present a French-speaking inspector has had jurisdiction over some English-speaking schools and the new appointment will remedy this situation.

**The McMillans Bring Home Thirteen Ribbons From Chicago Show**

Ken and Glad McMillan have returned from the Horse Show at the International Livestock Exposition in Chicago with an impressive list of prize ribbons, highlighted by a second place ribbon won in the Single Horse class by Halton Performer. Altogether they placed in the prize money thirteen times, winning seven 3rds, three 4ths, one 5th and one 7th.

It was the first year that Georgetown's well-known show folk had appeared at Chicago. They have appeared at dozens of Fall Fairs in Ontario and yearly at the Canadian National Exhibition and the Royal Winter Fair. Daughter Joyce was unable to make the trip as her school work at O.H.S. would not allow.

**ASHGROVE**

The congregational supper held in the church last Thursday evening was well attended by the families and some visitors. It was sponsored by the Schneider Meat Co. of Kitchener who showed two films. These pictures were both interesting and educational. Musical selections were given by Mrs. Frank Wilson, solos by Mrs. Francis Thompson and readings by Mrs. John Bellbody added to the evening's enjoyment.

Mrs. Frank Wilson and his sister, Mrs. Stanley Gowland from town left by train last Friday for Ottawa to visit their brother, Willmott and Mrs. Wilson, arriving home again on Monday.

The Bright Star Mission Band held their final meeting for this year on Sunday afternoon at the home of Mrs. Milton Bird with fifteen children present. Jean Drake presided. The raffle boxes and also scrap books were brought in and dedicated. Mrs. C. B. Dick told the story "The Bible with Legs", how this Christian man had to hide from the natives and he learned the Bible by heart so they called him that name.

**Iroquois Win Norval Second Championship**

The Iroquois won the Norval boys' soccer championship when they defeated Mohawks in the final play-off game on Friday on a muddy field. Iroquois were the second place team going into the finals and defeated Hurons before going on to the championship. In their second game with Hurons, the score was 4-2. Jamie Cunningham scored the first two goals for the winners, then Peter Pomeroy tied it up and in the final moments of the third period, Don Jarvie and Dale Sedore scored the winning goals.

Last Wednesday, Mohawks took the first play-off game 2-1. Sho Teramoto and Harvey Hazell scoring for the winners, and Jamie Cunningham for the losers. The score was reversed the next day, Jamie Cunningham getting two goals for Iroquois and Sho Teramoto scoring for Mohawks. In the final game, Iroquois won 3-0 on goals by Jamie Cunningham, Dale Sedore and Don Jarvie. All players on the three teams are students at Norval Public School. Credits will be awarded the winning team by Rev. J. L. Self.

The girls' softball league also ended last week when the Flying Eagles beat the Silver Liners 12-8 to win the championship. In this case also the second-place team emerged victorious in the finals.
