PUDDING BY THE TON: Housewives work out their recipes for Christmas pudding in terms of pounds, but Fred Conway, chief instructor for the Canadian National Railways, has the annual task of preparing three tons—or 29,000 servings—of the traditional Yuletide dessert. Working in a railway dining car with two assistants, he produces this 3-ton pudding entirely by hand in the brief space of two weeks.

The special and proven CNR recipe calls for 675 pounds of sugar, 600 pounds of sult, 1200 pounds of raisins, 600 pounds of currants, 600 pounds of mixed peel, 600 pounds of bread crumbs, 300 pounds of flour, 600 pounds of dates, 300 pounds of prunes, 300 pounds of carrots, 125 pounds of assorted spices, 78 dozen lemons and 300 dozen eggs.

With a wooden spoon, Mr. Conway mixes the ingredients in a huge chrome plated bowl and measures out the pudding into 1 1/2 pound containers. Three hours later they are cooled, sealed and made ready for distribution to various points along the 23,500-mile CNR system.

HALTON MALE TEACHERS MEET HERE

On Wednesday evening, December 8th, Principal Howard Wrigglesworth and Mr. George Bale of the Public School staff were hosts to the men teachers of the county at their regular monthly Federation meeting. Twenty attended the meeting in Georgetown Public School, with G. W. MacKenzie, president, in the chair.

Mr. McIntyre, assistant superintendent of Guidance Work for the Department of Education was guest speaker and chose "Guidance in the Elementary School" as his topic. Inspector L. L. Skuce was also present and made a few remarks. Two films were shown. The film "Tips for Teachers" was discussed, and the other film showed scenes on the Georgetown school playground one September recess. The pictures had been taken by H. A. Speers, a former Georgetown teacher, and were loaned by him for the occasion.

Arrangements were made for the next meeting to be held in Milton Public School the second Wednesday evening in January. At the close of the meeting Mrs. Howard Wrigglesworth and Mrs. Vern McCumber assisted the men in serving refreshments.
