MM MODEL "Z" TODAY'S MOST REFINED TRACTOR

All the operating features you have wanted for years? are yours with the new MM "Z". The fore-runner of modern tractor engineering this popular model has been the first in the MM line to offer revolutionary developments. Recall the first "Z" had the exclusive MM engine with 150 fewer operating parts. More progressive changes make the "Z" better than ever. Latest improvements give 10% more power, on draw bar and belt. Where is the man that can't appreciate the advantages of extra

Improved appearance for "Visionlining" further promotes visibility. Permits better operation on every job. Speed range has been increased to provide most suitable field speeds. A practical change in keeping with the times. Hardened sector gear has been adopted on all "Z" models except the standard tread which has redesigned steering arms and tie-rod located at rear of axle. Result is improved steering ease and longer life steering

Differential now features the Revacycle tooth form. A precision gear with increased strength.

Easy, comfortable operation features include Lazy Back air cushion seat, adjustable steering wheel, "wobble stick" gear shift lever, improved easy braking action and Uni-Matic tool control. A new era begins with this obedient, easy to handle new "Z" tractor.

When you know all about the Militarely Louis new Z, which is so far ahead in its own power class, you will want no
