TERRA COTTA

Real estate seems to be still booming in our hamlet. Wes Rutledge reports having sold some building lots on the corner of Main and Church streets to Miss Barnhart of Toronto, who will build a cottage next spring. Mr. Rutledge is also making some decided improvements on his beautiful residence on Main Street and will have stone pillars on the Main Street side which will light up our street when installed.

We understand that Leslie Ieam has sold his store on Main Street to Mr. A. Rhodes of Toronto, who will take possession here on Wednesday. We kindly welcome Mr. and Mrs. Rhodes to our midst, but we are sorry to lose Mr. and Mrs. Ieam from their old stand here.

Mr. and Mrs. L. Craine of Toronto were pleasant callers in our hamlet last week.

Miss L. Laughton spent a few days recently with friends in Toronto.

Mr. and Mrs. Walter Hayward spent a few days last week with Terra Cotta friends.

Mr. R. Elwood, who has been on the sick list, is now able to be around again as usual.

Mr. Smithson is doing a rushing trade in stone at his quarry here on the mountain and has struck a new quarry.
