Appointed by by-law, A. C. Patterson as building inspector.

Re-appointed Arthur Beaumont as a member of North Hulton High School Board for 1949-50.

Paid Relief accounts of \$50.50 and Road accounts of \$2373.54.

Paid member's yearly accounts for meetings and mileage: Reeve George Cleave, \$160; Deputy-Reeve George Currie, \$157.00; Councillors Wilfrid Bird, George Leslie and H. Craig Reid, \$146.20 each.

Tendered thanks to Reeve Cleave for the courteous and impartial manner in which he had presided at meetings. Mr. Cleave announced his retirement, saying that while he had definitely made up his mind to retire, he would like to have stayed in council one more year to see how the new garage at Stew. artown would fill the required need for which it had been built and just how it would work out. Members of council each spoke a few words, saying how the Reeve would be missed from the 1949 Council.

or Joseph Gibbons. Many times during the year we have had occasion to drop in, sometimes about a matter of importance, sometimes about a mere trifle. No matter how frequently we call, there is always a smile and a friendly word from Hatt, as Mr. Gibbons is affectionately called by most of us. So, a very special greeting to you Mrs. Gibbons.

It is not given to all of us that we should be happy at Christmas. To those who are ill, those who are having sorrow I would like to say—

In pastures green? Not always—sometimes He Who knoweth best, in kindness leadeth us In weary ways, where heavy shadows be.

And by "still waters"? No, not always so; Oft-times the heavy tempests round us blow.

And o'er our souls the waves and billows go. But when the storms beat loudest, and we cry

Aloud for help, the master standeth by, And whispers to our souls "Lo it is I!"

And in the blest hereafter, we shall know Why, in His wisdom, He hath led us so.

Saturday night is a weary night. When the last clean shirt was delivered, I stopped at Georgetown Motors for gas and a chat with those charming folk, Jean and Lorne Peters. I was very tired, but just then the Christmas carols rang out from the United Church, and I relaxed a moment to listen, and went on my way, refreshed in spirit.

On King Street the Salvation Army Band was playing Christmas Carols and we stopped a moment. They keep the Spirit of Christmas every day in the year.

Merry Christmas to you Dad. I know you will be reading the Herald. Let's celebrate Christmas as it should be celebrated. If you should happen to celebrate a little too heartily, be sure you don't drive and cause an accident which would not only spoil your own Christmas, but someone else's as well.

Be sure to attend Church service sometime during Christmas Week. The Carol services in all the churches will be lovely and should be well attended. Our ministers deserve our presence at these services. They are always ready to listen to our troubles.

Our little friends came in on Sunday evening to trim the tree, and sing carols. If you want to be happy, the best way I know is to have children in your home. If you haven't any of your own, borrow the neighbour's for an evening, and you will find much happiness.

And so, I say again to you all "A Very Merry Christmas."

ANNE

CHRISTMAS GREETINGS

EASON — Reuben, Elsie, June and Betty Eason of Campbellford, wish their many friends in Georgetown a Very Merry Christmas and a Happy New Year.

Chatting... With Anne

The cows were milked, the horses fed; And nestled in the sweet, warm hay, There sleeps a little tiny Babe Born early on this Christmas Day. The wise men found him sleeping there

Before the stars had left the sky; His Mother watching over Him, With deep and loving eye. And though the wind outside was cold, The big barn was a kindly place; A Heavenly light shone round about

And lighted up the tiny face. The barn was filled with sound of wings As pigeons awakened into flight; And then they heard the angels wings.

Above the barn that Holy night. That day made holy by a child Who came to bless all helpless things; Our Christmas will forever more Be hallowed by those shining wings.

To all of you, my dear friends in Georgetown I would like to say "A Very Merry Christmas". This has been a year to remember. Making a lot of new friends, and keeping the old ones has made it a happy year.

Where was I last week? So many of the folks who apparently enjoy my column have asked. It is a long story. First I had the misfortune to damage my car and being a very lazy sort of person I disliked the fact that I had to walk to get where I wanted to go. Then, Christmas being just around the corner, so to speak, the Editor needed his material for the paper early, and so, it just didn't get written. One of our new year's resolutions will be to get things done when they should be done. Thank you all for taking the time and trouble to phone.

The week has been a busy one for everyone. Christmas concerts for the children, and they do remarkably well, considering how much study they have regularly to accomplish.

So many people have been nice to me it would be impossible to mention them all. You all know how much I like the Georgetown folk, because you have made me feel at home wherever I go. I would just like to say, I have appreciated the kindness of the first lady of our town, the wife of May
