LEGION LADIES HAVE CHRISTMAS PARTY

The Legion Ladies Auxillary held their annual Christmas party in the Legion Hall on December 28th. There was a good attendance of members and their children. Games were played and Santa distributed gifts to all, the ladies also exchanging gifts. Mrs. Mary Morrow was at the piano for carol singing. The program was in charge of Mrs. Henry Shepherd and Mrs. H. Harlow. Eighteen poppy day taggers all received gifts. Mrs. W. Hewitt and her committee served refreshments.

Mackenzie News

We had a very good holiday season and hope you did too. With a little more snow for all those new skis and toboggans it would have been just perfect.

The supply of building materials is getting better day by day. Two of the usually scarce items we have again in stock, are Ten-Test lath and Ten-Test 16" x 16" ashlar blocks.

For a plaster base, Ten-test lath because of its insulation value and sound absorbing qualities is well worth 6c per square foot. For an attractive ceiling with the added value of sound absorption, 16" x 16" ashlar blocks are ideal. The cost is moderate at 9c per square foot with no decoration required.

See you at the hockey game on Thursday night.
