

Stewarttown Banquet for E.A.S. Directors

The directors of Esqueving Agricultural Society held their third annual banquet last Wednesday in the new community hall at Stewarttown. Previous banquets have been held at Limehouse and Hornby. After a delicious dinner, supplied by ladies of the Ashgrove Women's Institute, John Bird, president of the society, was chairman for a short program which included recitations by Mrs. William Cromar and vocal solos by Miss Jean Chester, accompanied at the piano by Kenneth R. Harrison. Thanks to the ladies who catered were expressed by Harding Price and by Nelson Robinson. Mrs. Thomas Giffen, replied on behalf of the Institute. Others who were asked to speak included Reeve George Currie, who said he was particularly pleased that the first banquet in the new hall should be held by such a worth-while organization. Tony Gregg of Wingham, who has

been master of ceremonies at the fair the past few years; Perc Clave, fair treasurer; and Craig Held, a past president. A sing-song was led by Howard Wrigglesworth, with Mrs. Wrigglesworth at the piano.

A game of euchre followed, Mrs. Thomas Golden and John McNabb winning the prizes for high scores.

It was decided to hold the first regular meeting in the school on Monday, January 31st, at 8:30 p.m. A cordial invitation is extended to all.

Five Ontario farmers sailed January 15 for the British Isles where they will represent Canada at the International Plowing Match to be held at Saint's Field, County Down, Northern Ireland.

Members of the team include Rhys Bacher of Hagersville and Robert Timbers of Stouffville, winners in the Esso Tractor Class at last year's International plowing match at Lindsay, Ont., Alvin Mark of Cameron and Wilbert McFaddin of Millbank, the Salada Tea cham-

pions and Elliott Moses of Ohsweken, a director of the Ontario Plowmen's Association and team manager. Mr. Moses is a member of the Delaware tribe of the Six Nations.

The men sailed from New York on the new liner "Caronia" for a month's tour of the British Isles as guests of Imperial Oil Limited, and the Salada Tea Co., Ltd. As well as participating in the plowing matches they will study British methods of agriculture and will visit many places of historical interest.

Although the Canadian farmers have never been abroad, when they visit Northern Ireland they will see old friends made last October at the International Plowing Match at Lindsay. It was the first time that a team from the British Isles had ever plowed in Canada and the Irish plowmen were a feature attraction of the match.
