AN OPEN LETTER TO ACTON HOCKEY FANS

Dear Fans:

How do you feel now after the two straight humiliating defeats the Raiders handed you?—It was with "reckless abandon" the Tanners tried desperately to dent the mesh behind Lever just once. The boy that was overshadowed by the great, the sensation Dooney as you Acton fans rate him, turned the tables and pulled off sensational saves one after another. We can't spell or write those big words your scribe used to describe your victories over Georgetown in the Sheeney-Tost series but in our simple plain language we were just too clever, too fast, too brilliant for the Tanners. Your main alibi has been that your boys aren't in condition, they need practice. We certainly agree on the last part of that sentence they need practice if they have faint hope of catching a play-off spot. Your players must have realized after Georgetown took the lead 5-0 in the first game the cause was hopeless. Even "Dooney" was seen to wilt after the lead was being steadily increased.

ship even though she's sinking? Is it not true that Postmaster Terry, former coach of the team, saw the light and realized he had no material to work with and gave up his assignment? Your words were sharp, cruel, insinuating. In your open letter to us when victory was in your grasp. Now it is our turn to enjoy sweet victory and your turn to taste the bitterness of defeat! We watched as one of your stars viciously attacked the referee during the first game for no apparent reason whatsoever. If that is an indication of how defeat is accepted by the Acton team and fans we would say pack up your hockey gear and call it quits.

We thought the attack on referee Braithwaite was something in the arena here during the last Acton-Georgetown game but how about the ref up in Hespeler who was shocked to the extent he had to be taken from the ice on a stretcher. The first thing he did on his return to the ice was to call the game off. He's what we call a smart fellow.

Yours Sincerely,
ALONG THE BOARDS

Mrs. Harold McClure, has been after us to give Fred Lever, Georgetown's goalie, a boost. After those two games with Acton, Fred, we agree with Mrs. McClure. Nice going!

Happened to be in Acton the following morning after Georgetown had again whipped Acton 6-1. The main alibi was "our boys are out of condition." That wasn't their theme after beating Georgetown in the Sheeney Tost series.

After mentioning Jimmy Valentine over the P.A. at the carnival last Friday the least M.C. Riley Brethour could have done was to let Jimmy say a few words. Jimmy used to be quite a figure skater as a matter of fact. We recall one time during an ice storm a fire developed out in the park area. As the roads were very icy Jimmy (he was No. 2 nozzleman, then) donned his "speed skates" and reached the scene in record time.

Smith and Stone lead the Industrial league with 10 points, Alliance and Provincial Paper have 6. Business men have four and Meadow-Glen have two.

Business Men and S & S have sweaters that add to the interest of this league. There have been some pretty good games played and it is planned on running a doubleheader with the top four teams competing when the play-offs start.

Marsh Timbers, Harold McClure, and Art Bettke are keeping the bantams and midgets going. How those kids love hockey.

Certainly enjoyed the carnival last Friday night. It was a grand show with some very nice performers.

Delly Beaumont, Chappel and Nash were outstanding against Acton during the last game. Delly picked off four points on the evening's play.

Georgetown has won 5 games so far and has lost one.

Employer: "Surely, Miss Jones, you know the King's English?"
Typist: "Of course. Whoever said he wasn't?"
