LIMEHOUSE

(last week)
 Last week's high wind storm caused considerable inconvenience in our neighbourhood. Due to a hydro line broken near S.S. No. 9 school, we were without service from 3.45 a.m. until 12.30 p.m. some thirty-three hours later. Those on the village end of 104 telephone lines were without service for the balance of the week. Mr. Russell Thompson, however was the worst hit when the chimney of his house blew off and the place was without either heat or cooking facilities for the whole day, while it was being repaired.

An aluminum company put on a free hot dinner in the Hall, on Tuesday evening last week, to which about forty sat down. After explaining the outstanding features of the aluminum ware on display, one of the salesmen conducted a Dutch auction of one sauceron which was won by Mrs. Doug Townsend of Georgetown. Proceeds of the auction and the admission fees were to be divided between the House of Refuge at Brampton and the flower and fruit fund for sick folk of the W.I. under whose sponsorship the event was held. A few games of cards resulted in high scores going to Mrs. Ellerby and Mrs. F. T. C. Brown and low to Mrs. Glynn and Mr. John Crawford.

The annual congregational meeting of Limehouse Presbyterian Church was held in Limehouse Memorial Hall on Friday evening preceded by a hot dinner arranged by the Women's Association. Rev. A. Calder was chairman for the meeting and Mr. K. C. Lindsay, secretary. All departments showed a good financial balance. Messrs. Ted Brown and Harry McDowell, two retiring managers were re-appointed for a three year term.

Visitors with Mr. and Mrs. Chas. Jones recently included Mr. Wm. Jaffray of Alliston and Mr. and

Mrs. James Alderson of Everett. Mr. and Mrs. A. C. Patterson and Joy visited with Mr. and Mrs. Elliott Patterson, Acton, on Sunday. Mr. S. Kirkpatrick is recuperating at his home following an operation in Guelph.

Mrs. McDougall of Proton Station, Mrs. Elwood McDougall and little daughter of Georgetown were callers with Mrs. Lane and Mrs. H. Norton one day last week.

A few from here attended the funeral of the late Mrs. Albert Meredith who was buried in Limehouse cemetery last Wednesday. Foxes are reported plentiful in our neighbourhood but an organized fox hunt on Saturday failed to find them. At noon one small weasel shot by Mr. George Burt was all the game they carried. During the day however, sixteen deer were to be seen in one group, and two rabbits were bagged, in the afternoon.

BAPTIST CHURCH HIGHLIGHTS

On Sunday morning the pastor, used, as text for his message, the words of Jesus that were spoken to two disciples. Andrew and John were talking to John the Baptist and Jesus passed near by. John the Baptist referred to Jesus in the words: "Behold the Lamb of God". Andrew and John immediately followed Jesus. When they asked Jesus where he dwelt, His reply was, Come and see. They responded to this invitation. When they saw Jesus they soon left all to follow Him.

No one can understand Jesus until they have seen Him. Jesus means to have His Spirit and His love. Jesus said: I am come into the world, that they that see not, might see. Only when we see Jesus spiritually can we be His disciple. His invitation to all is, Come and See.

The evening subject was: Why I believe in Christ. We must go to the Bible for our authority. In Matthew 3:17 we find God saying, "This is my beloved Son in whom I am well pleased." When we believe in God as supreme and know Christ as His Son, we are not surprised at His outstanding character. We find in Christ the revelation of God.

The enemies of Christ have tried to destroy His followers, but faith in Christ could not be headed or burned at the stake. Empires have fallen but the gospel of Christ still lives. Jesus did what none other could do. He had a power greater than any other. His love went out to all alike. At last He gave Himself to save the world. Greater love hath no man than this, that a man lay down His life for his friends. Christ gives his friends victory in this life, and eternal victory when this life is past.

Mrs. F. Braisby Heads Local Council of Women

Mrs. Fred Braisby was elected president of the Local Council of Women when the annual meeting was held in the Municipal Building on Friday, January 21st. Vannatter; corresponding secretary, Miss Hettie Lawson, treasurer, Mrs. R. T. Paul.

Interesting reports from affiliated societies were presented at the meeting, which was conducted by the retiring president, Mrs. R. T. Paul. Mrs. Paul said she had enjoyed her tenure of office during the past four years and wished every success to the new president. She pinned a life member's pin on Mrs. Braisby. The pin, which had belonged to the late Gertrude Dayfoot, was presented to the Council by Mrs. C. B. Dayfoot of Oak Bay, B.C.

A MOTHER may die unless You give blood

Of all Canadian women who die in childbirth, every fourth mother dies of hemorrhage. Three-quarters of these mothers can be saved . . . with but a small gift from you.

A great new civilian Blood Transfusion Service has been opened by the Canadian Red Cross. The object of this Service is to provide hospitals and the patients they serve with whole blood and plasma . . . FREE to be used for life-saving transfusions.

Volunteer donors are urgently needed to support this Service. After you register you will be asked to donate blood only twice a year. And each time you donate, you help save someone's life and restore that person to friends and loved ones.

Contact your local Red Cross Branch or Clinic and tell them—"Yes, please enroll me as a blood donor. I want to give blood to save someone's life!"
