Pre-Teen Organization Will Operate as Recreational Activity

Organization of a pre-teen group under the Recreational Council was begun last Friday night when a party for children 8-14 was held in the Old Town Hall. The party was arranged by a committee composed of Mrs. Harry Lewis, Mrs. Marshall Timbers, Wanda Timbers and George and John Farmer, with the aid of several interested parents.

George Farmer was master-of-ceremonies for a program which included games and dancing. Danny Hewitt and Bobby Webster were prize-winners at musical chairs. Box lunches were brought by the girls and free pop and chocolate milk was donated by a group of merchants. About 250 children and their parents attended the party.

During the evening, Marshall Timbers gave a short talk to parents present, pointing out what could be done, with parent's help, in organizing activities for the young people. It was suggested that the pre-teen children be divided into three age groups, the groups later being broken down into smaller sections for activities. It is hoped to continue organization under the newly formed Recreational Council.
