

### Chatting . . .

Not only the rain, puddles, and mud, tell us that spring is just around that elusive corner, but the number of people getting ready to move is a sure indication that old man winter is bending his retreat. . . . Just down the street from us, the Misses Olive and Nell Kennedy are nearly ready to move into their new house on Ostrander Boulevard. Until now, they have been living on Charles Street, in a brick bungalow owned by Georgetown Mayor Gibbons. Mayor and Mrs. Gibbons will move into their bungalow and Mr. and Mrs. Jack Polly and daughter Susan are going to live in the Gibbons' apartment, above the Barber Shop. . . .

And it is with regret we learned that Georgetown is to lose a very popular family, in the person of the Bill Hillers, King Street, who with daughters Dorothy and Evelyn, moved to Streetsville on Saturday. Bill formerly worked the W. J. Miller Tool and Die Company which he sold to the Emmerston Brothers a year ago. A very handy man to have around is Bill, who, we understand, has made a wonderful job of remodeling their new home in Streetsville. Ultimately, Bill plans to work in the U.S. . . .

A nice partying gesture to Elsie, was a farewell party held at Mrs. Frank Enmeter's home. It was a complete surprise, everyone (all girl friends she has known for years) had a good time, and they presented Elsie with a nice gift. Having lived in Stewarttown and Georgetown all her life, it will be quite a change to live in another town, but we hear Bill is getting a new car so they can come back and visit Georgetown often. Mr. and Mrs. Alf Kirby have bought the Hiller's house on King Street. . . .

Must congratulate Kenneth Harrison on his "Musical" held Monday night in Knox Church. It really was a fine musical presentation. An extremely busy, as well as talented young man, Kenneth is Organist and Choir Leader at Knox Church, and also at Norval United Church. In addition, he teaches piano, and studies the piano and organ. . . .

Which reminds us of another exceptionally gifted young musician, this time from Glen Williams, in the person of Miss Marion Hepburn, who has just been successful in her Grade 4 History and Counselling "Conservatory" Examinations. Marion teaches music in no less than nine Public Schools, including Georgetown, Milton, Norval, Glen Williams, Clay Hill, Dufferin, Dublin, Waterloo and Lorne. And she also has private pupils in piano and voice. Both these, Kenneth and Marion, are indeed a credit to the town and their families. . . .

New people in town are Mr. and Mrs. L. S. Chapple, formerly of Guelph, at present living in the Misses Ryan's home on Guelph St., while the Misses Ryan are enjoying a holiday in the Southern States. . . .

Saw an excellent photo the other day, of a group of Georgetown Lions, and "Lionesses", taken while they attended Ladies' Night of the Lakeshore Lions Club last week. Appearing to be enjoying themselves immensely were the Dick Licata's, Don Barrager's, Bruce MacKenzie's, Art Scott's, Jack Armstrong's and the Hutch Hutchinson's. Bruce MacKenzie tells us they were treated royally, with chicken dinner, good entertainment and dancing. All of which reminds us that the local Lions Club have plans to treat the patrons of their St. Patrick's Dance very royally too, with a floor show as an added attraction. . . .

We're interested to hear of what was, to us, a new way of fishing. Mr. and Mrs. Jim Richardson, Walt Richardson and Fred Maveal drove up to Duclols Point, Lake Simcoe (about 6 miles east of Sutton), last week-end to fish for whitefish, and to do the actual fishing, they utilized little fish huts, each of which hold two people and a stove to keep them warm while they fish through a large hole in the ice, over which the "hut" is built. There seemed to be plenty of fish, but they weren't at all anxious to try the bait. However, Walt did catch one — and it was good sport. . . .

All her many friends are happy to see that Mrs. Jack Bailey, McNab Street, is back home from Private Patients Pavilion, Toronto General Hospital, and doing very well after her recent operation. . . .

Moving into their new house very soon, are Mr. and Mrs. Joe Hall Jr. The house was built by Hawes and Nelson, and is situated on the corner of Ostrander Blvd. and Durham Street. Also moving into a new home are Mr. and Mrs. Bob Wyatt and baby daughter. Their house is located just behind the home of Mrs. Wyatt's parents, Mr. and Mrs. James Mulholland. . . .

Another lucky young couple are the Jim Schofield's, who have a new home built by McNally Wood Products, past the Wartime Housing on the highway. . . .

H. A. SPEERS, who you will remember was on the Public School teaching staff last year, has resumed his teaching career, and is now on the staff at Kilbride. Mr. Speers resigned his position here at Christmas last year to take a priv-

### BAPTIST CHURCH HIGHLIGHTS

The text for the morning service was taken from Matthew 14:30. Peter with the other disciples were on the sea and a storm came up. It seemed that their boat would go down. In the midst a form appeared. They were afraid, but a voice was heard, be not afraid, it is I. Peter recognizing Jesus voice said; If it be thou bid me come to thee on the water. Jesus said, Come. Peter began to walk on the water, but when he saw the waves he began to sink. Peter cried, Lord Save Me. Jesus stretched forth His Hand and caught him. . . .

Just as Jesus saved Peter, He will save all who call on Him for salvation. To keep our eye on Jesus is the secret of all Christian victory. To get the eyes of the world on Jesus is the great task today. As the birds fly to the woods for protection, so tried believers, hasten to the mercy seat for safety. . . .

We remember the word of Moses to the Israelites when they were about to cross over to Canaan. Deut 33:27. The eternal God is our refuge, and underneath are the everlasting arms. . . .

CHRISTIANS IN THE WORLD Was the subject for the evening service. Jesus made a very definite difference between Christians and the people of the world. He spoke words such as In the world ye shall have tribulation, but be of good cheer, I have over come the world. . . .

In John 17 which is a prayer of Jesus, he is praying for the Father to keep his followers from the evil, saying they are in the world but they are not of the world. In 1 John 2:15; Love not the world neither the things that are in the world, if any man love the world the love of the Father is not in him. 1 John 5:4. Whosoever is born of God overcometh the world. There is a difference between the Christian life and the life of the world. You cannot serve God and mammon. . . .

Christians are to go forth to evangelize. You cannot evangelize without separation. The great need is for Christians to be more loyal to Christ. If the spirit is right the living will be right. . . .

Modern religion is man made religion. You cannot modernize the word of God. God is the same yesterday, today and forever. God said: I change not. Since God does not change, His Word does not change. Salvation is still faith in Christ and his redeeming power. This is the passage Christians must give to the world, and remain separated from the world. Kept by the power of the cross. . . .

The World's Day of Prayer was observed on Friday, March 4. The women of Georgetown met in the Baptist Church, a goodly number being present. . . .

The Women's Mission Circle held their meeting on Tuesday evening at the home of Mrs. Fred Braisby. . . .

Honour and shame from no condition rise; Act well your part: there all the honour lies. . . .

Site position up north . . . Home movies provided the entertainment at Dennis Bell's party a week ago, when his dad, (L. J. "Bus" Bell), showed two comic strip movies "The Woody Woodpecker" and "The Little King". At the party were David Jones, Richard and Norman Verdec, Douglas Wrigglesworth, Gloria Bain, Gail McGilvray, Judy McComber, Betty Burns, and his sister, Brenda Bell. . . .

Talking to Ernie Alcott about his five-month old baby, Bobby, we found that his baby has broken all records for teething at an early age. Bobby is the proud possessor of six teeth. He beats Elizabeth Ann Dowd of Ottawa who received quite a lot of publicity in the Telegram, last week for shattering all tooth-cutting records. . . .

The bonnie wee daughter of Mr. and Mrs. Frank Benner, Helen Patricia, was christened on Sunday, February 28th by Archdeacon W. G. O. Thompson in St. George's. The baby wore her paternal grandmother's christening dress, and her godparents were Mr. and Mrs. R. J. McLaughlin and Mrs. Gordon Boody, Toronto. The christening service is always a trying one for parents, and the first question asked afterwards usually is "Was the baby good?" Naturally, we asked Frances, and the answer was "she didn't make a peep." Her godparents gave little Helen Patricia a silver baby cup engraved with her initials and the date of christening. . . .

Guests from town at the Crichton-Walker wedding on Saturday were Mr. and Mrs. George Tizzard, Mr. and Mrs. John Bell, Mr. and Mrs. Wallace Thompson, Miss Marlon Stuart, Mr. Bob Burns, Miss Inez Scott, Limehouse, Mrs. Ray Thompson, Jack and Ray Crichton and Mrs. Harold Wheatley and daughter Mary, from St. Thomas. . . .

The evening before his wedding Dick was given a "stag", by about twenty five friends at the home of Mr. Ted Vahl. . . .
