What's New...?

Pierrette C. Lewis Faberge is NEW! It's horrid! Faberge is the new perfume and cologne that took the United States by storm last year. It is now established in Canada and Robb's have set the pace in Georgetown. It is easily seen why this new product would captivate the buying public. The packaging is most attractive—clean modern lines—warm colours. The scents are companion pieces. Woodrose for daytime wear, Aphrodite for night allure. The perfume is the economical type... one drop is (two you're out!) and the cologne has a subtle lingering quality. The purse sapon... Fabergette... has a controlling device that enables one to use restraint and thus avoid disastrous spilling. These products are ideal for gifts and personal use and should prove as popular in Canada as they are in the United States.

Brill's are opening their new store in Brampton, on the eleventh of this month. This new store will be located in the Brampton Hotel and will be "For Men Only!" They will be showing their Spring Fineries here at the same time, their Spring Show having been delayed by the Expansion Sale. Keith King is a new addition to the Georgetown staff. He should be just the boy to advise the young Beau Brummels in town on their new outfits.

The grocers' shelves are filling up with various cake and muffin ready mix preparations. I tried the Monarch Chocolate Cake Mix and found it good. It is a boon to mothers of small fry (boys and girls) who suddenly get the urge to bake a cake. I shall never forget daughter Sue's first chocolate cake! There was cocoa, flour, sugar all over the kitchen! This ready mix requires nothing but water or milk, a mixing bowl and a cake pan and it can be mixed in a jiffy. Incidentally, I used my favourite cake pan—Pyrex—8 inches square 2 inches deep, available at all Pyrex dealers. The speed of the mixing is a comfort to a hurried housewife and an encouragement to beginners who are just learning the intricate art of baking. Many a student has been discouraged by long and difficult recipes. This ready cake mix gives confidence and spurs the student on to bigger things.

Richardson's advertised a few weeks ago a Water Softener. Sensing a "new" item for this column I investigated and found it to be an ugly gadget but, a very necessary one. Fortunately, it can be banished to a dark corner of the cupboard when not in use. It certainly is an economical aid both in price and in upkeep, for it reacts itself with ordinary table salt. The saving on soap alone should be an incentive to buy one. There is no doubt that the water in Georgetown is hard — very hard. This Water Softener should be a great help in our washing dilemma.

Our son Peter was home from boarding school for the week end. It was interesting to note that the boy, who is an out of town subscriber to the Herald, had not even noticed this column! My public! Needless to add he is unlike his father who carries a Herald with him to work, and whisks it out at the slightest chance. His co-workers are a little weary of reading "What's New" and have taken to fight at the mere sight of proud husband.

Consternation in the Fashion World! The sleek High Priests of Fashion have barricaded themselves in their satin and lace towers! A mousey colour has caused this furor! We heard that navy and shamrock green were "the" colours this Spring, they still are, but Grey has come up from behind in the home stretch and is unquestionably the "Winnah!" Silver's week not caught off guard, this week they have a full window of greys—from gunmetal to pearl—and there is something for everyone from

THE GEORGETOWN UNITED CHURCH

Regular morning worship was conducted in the Georgetown United Church on Sunday by the minister Rev. John M. Smith. The lesson was read from 1 Cor. 13. Mr. Smith spoke on the subject "Christian Discipleship" stating that it was fitting in the Lenten season that we should examine our professed discipleship. "Christian Discipleship" he stated, is dependent upon the call of Christ and man's response and experience of regeneration; it involves Christian service, faithful endurance, and consecration to the task of establishing the Kingdom, however humble our responsibility. The choir under the direction of Miss Lynda Stewart sang the anthem "Restore the Joy of Thy Salvation" — Wm. Ruelish and the duet "I Heard the Voice of Jesus Say" — Ruthbone, was sung by Miss Ruth Evans and Mr. A. Tol as an offertory. Mr. E. B. Subckammer was ordained as an elder and Mr. George Ward, who was formerly an elder in St. Paul's United Church, Brampton, confirmed his vows and was ordained to the eldership of the local church. Mr. and Mrs. G. Ward and Miss Gladys Ward were received into membership by transfer of letter from St. Paul's Church, Brampton.

The evening worship opened with the singing of some familiar and favourite hymns and the lesson was read from Judges 17:1-6. Speaking on the subject "Without A King" Mr. Smith stressed the folly of "every man doing that which seems right in his own eyes" and urged that the Kingship of Christ be recognized in each life. The duet entitled "Alone" was sung by Mrs. H. Wigglesworth and Mrs. E. G. Bishop. It was announced that the Halton Male Chorus assisted by Miss Winnifred Cater, soprano, Toronto, would present a concert in the church auditorium under the auspices of the "50-50" club on Monday evening. The proceeds to go to the Church Building Fund.

BALLINAFAD

The W.M.S. met Friday afternoon at the home of Mrs. Robt. McEnery for their regular meeting and observed the World Day of Prayer. Mrs. Frank Smith led in the Prayer Day programme assisted by other members. The topic on "Christian Citizens in Training" was given by Miss B. Hills.

The National Film Board will show pictures Thursday night in the Hall. The subject will be "The Community Newspaper". Ballinafad hockey team was defeated in their second game of the play off with Cedar Valley Friday night, the final score being 8-2. Sam Snow scored the two goals for the Fad. The final game is to be played next Friday night.

The Evening Auxiliary will meet Friday evening at the home of Mrs. Ken Cotton.

ASHGROVE

Well March came in like a lion! Let's hope it goes out like a lamb.

teen agers to matrons. Tailored suits, dressmaker suits, suave afternoon dresses, skirts (buttons and bows) and blouses (Judy Bond), all reasonably priced. I like grey for the same reason I like navy, it is a good setting for a variety of accessories which makes for a practical and versatile wardrobe.

Simmons' talking birthday cards are quite the thing! I brought a few home and we all had fun! While in Simmons' I poked around and found they had a complete line of crystal in the Dew Drop pattern. This should prove very helpful to the June bride and to those who wish to buy her a beautiful and lasting gift. It would also help the genial manager Cecé McNamara to advise the prospective buyers on which size and quantity she is lacking to make up the complete set. This arrangement is by far the best method of making the bride happy (she has her crystal) the shopper relieved (the shopping is easy) and Cecé pleased. (He has two satisfied customers).
