Community Auction Sale

Here is a golden opportunity to turn some of those things you are not using into cash. Items such as farm machinery, household articles, automobiles, tractors, radios, refrigerators, livestock, plants and fruit trees are much in demand by eager purchasers.

Everything entered in the sale must be in first class working condition and be as represented. We want to make this an annual affair and the purchaser must be satisfied.

WEDNESDAY, APRIL 6th — 12 p.m.

Material to be entered must be brought to the camp site on Monday or Tuesday preceding the sale. An officer of the cooperative will be on hand to receive the goods and check them in.

Huttonville is just four miles west of Brampton, and the camp adjoins the village to the west. Plan to attend this sale and buy at your own price many useful articles unobtainable elsewhere.

NEWS AND ITEMS OF INTEREST TO HALTON FARMERS

BEEF BULL SALE AN OUTSTANDING SUCCESS

The sale of Beef Bulls sponsored by the Ontario Beef Cattle Committee on Tuesday of last week was a decided success. A total of 90 bulls were entered for the Show and Sale held in the Sheep and Swine Arena at the Royal Winter Fair Building in Toronto. A packed ringside was in attendance throughout the day and bidding was brisk. The top Angus brought \$400 with an average of \$483 on the group. The average for the Herefords was \$560 with a top of \$725 while the Shorthorns averaged \$562 and a top of \$820. W. P. Watson, Ontario Livestock Commissioner who was in charge announced at the conclusion of the event that next year's effort would be a two day affair.

STANLEY JAY NEW PRESIDENT OF MILTON JUNIOR FARMERS

The Annual Meeting of the Milton Junior Farmers was held at the home of Doug Shaw on the 7th Line of Trafalgar on Wednesday evening last. Fraser McNabb, Chicago Trip Winner in 1948 was the guest speaker at the Boys' Meeting while Rev. James Blair of Milton was the special speaker for the joint programme.

The new officers elected for the coming year as follows:

President, Stanley Jay, Milton; Vice President, Roy Brownridge, Milton; Secretary, John Richardson, Milton; Directors, Wm. Brain, Colin Marshall, and Archie McKinnon.

JUNIORS WIN W.L. DICK TROPHY

The finals in the Halton Junior Farmer Drama series were held in the Milton High School on Friday evening last. Cameron Wilson, president of the Halton Juniors was chairman for the evening's very excellent programme presented before the large audience which filled the auditorium. "Courage My Greene" a Samuel French production, was the first play presented by the Norval Juniors. The members of the cast were Neil Van Vliet, Jean Chester, Howson Ruddell, Viola Bridgen, and Norman Lopp, and the director, Miss Charlotte McCullough.

Palermo Juniors presented "Mrs. O'Leary's Cow", by Brian McCarthy. This play was directed by Mrs. Karl Cartwright and the members of the cast were Mildred Bell, Bruce Heatherington, Evelyn Pelletterio, Anne Sathons, Fred Bell and Bill Vivian.

Mr. James E. Dean, of the Central Technical School, Toronto was the adjudicator of the evening. Both groups won high praise from Mr. Deane, who also presented in a very able manner a most constructive criticism.

Norval Juniors were given the award by Mr. Dean, and the W.L. Dick Trophy, in the donor's unavoidable absence, was presented to the winning cast by Agric. Rep. J. E. Whitlock.

Other features of the programme included a number of pleasing instrumentals by Miss Shirley Thompson, of Acton. A short dance to music supplied by Miller's Orchestra brought to a conclusion one of the most enjoyable evening's programmes presented by Halton Juniors during the winter.

PALERMO JUNIORS ON THE AIR

Palermo Juniors brought more honour to their group and Halton County by their excellent program over CHML, Hamilton, on Wednesday evening last. Those participating in the group discussion were Erla Wendover, Jean Patterson, Geo. Pelletterio, and Lloyd Vivian with David Pelletterio acting as master of ceremonies. The programme also included interviews with H. J. Inglehart, veteran farmer of Palermo, and Dr. C. A. Martin, chairman of the North Halton High School Area.

GREEN FIELDS ARE GOLD

If it were true that "what was good enough for father is good enough for me", we should all still be using the cradle scythe and working from "can see to can't see." But happily there has been and continues to be a steady trend toward less drudgery in farming, fewer hours of work per year, and greater production per man. The picture would be brighter however, if the crops from an acre of land would buy as much as they did in father's day, and if lands produced as much now as they did when they were virgin.

But even these two problems are being answered by change. Instead of putting reliance in cash crops alone, modern farsighted crop farmers are becoming Grasslanders. They want to hold, and improve their soils and at the same time cut their costs and through processing their forages by livestock, make extra profits. The goal of the Grasslander is to get more meat,

milk and other animal products per acre at less cash cost than the old method of farming.

The Grasslander changes his farm plan to put all easily eroded surfaces into long lived grass stands. He doesn't just use any grass, but instead carefully designs a mix of seed varieties which promises the greatest possible yield of cash in terms of animal products. He invests in fertilizer up to the point where more fertilizer will not produce more net profit. Then he manages the land by controlled grazing, by hay and ensilage making at the most profitable times, by mowing, clipping, and otherwise caring for the grass. All of this is much easier than row cropping.

MRS. T. KING LAST MEMBER OF OLD DISTRICT FAMILY

The last surviving member of an old district family, Mrs. Thomas King was buried in Greenwood Cemetery, Georgetown, on Tuesday, March 15th. She died in Toronto on the previous Saturday. Mrs. King was born Marion Search in Stewarttown 92 years ago, and was the daughter of the late Edwin Search and Cremona Black. Her husband, the late Thomas King of Petrolia, predeceased her many years ago. She was a member of the Baptist Church. She had many friends in town and had visited on numerous occasions with relatives, Dr. and Mrs. F. R. Watson, at one time spending the summer months in Georgetown.

Rev. C. R. Gower conducted the funeral service from the McClure Funeral Home and pallbearers were Edwin Glass, Will Glass, Norman Glass, David P. Crichton, A. Ridout and Raymond Search.

WILL 179,567 MORE BE KILLED OR INJURED?

During the past 15 years 9,567 persons have been killed and 170,000 injured in motor vehicle accidents in Ontario.

If the present rate continues it is estimated that the same number will be killed and quite as many injured in accidents on our streets and highways within the next 15 years.

The Department of Highways, the police and other organizations and agencies are working to reduce this needless waste of life, health and property. But the final solution of this problem is Yours—the drivers and the pedestrians. YOU AND ONLY YOU CAN STOP ACCIDENTS.

Accept your responsibility as a citizen and do your part each day to make highway conditions safe.

CHECK YOUR DRIVING TODAY

What is your honest rating on the following test?

DO YOU ALWAYS—

- 1 Exercise good judgment when driving?
- 2 Make sure the road is clear ahead before passing?
- 3 Stay in your traffic line?
- 4 Keep alert for what other drivers or pedestrians may do?
- 5 Come to a full stop at a through street?
- 6 Keep your mind on your driving?
- 7 Signal when stopping or turning?
- 8 Approach intersections cautiously?
- 9 Avoid passing on curves and hills?
- 10 Take extra care in the presence of pedestrians?
